OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

ALHAMBRA UNIFIED SCHOOL
DISTRICT.

OAH Case No. 2016030535

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On March 1, 2016, Student filed a Due Process Hearing Request¹ (complaint) with the Office of Administrative Hearings naming Alhambra Unified School District. On March 16, 2016, District filed a Notice of Insufficiency as to Student's complaint. Student filed a response on March 18, 2016.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint. (20 U.S.C. § 1415(b) & (c).) The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

The complaint is deemed sufficient unless a party notifies the Office of Administrative Hearings and the other party in writing within 15 days of receiving the complaint that the party believes the complaint has not met the notice requirements. (20 U.S.C. § 1415(c)(2)(C); Ed. Code, § 56502, subd. (d)(1).)

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time. (20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).) These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information

¹ A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 U.S.C. section 1415(b)(7)(A).

to know how to prepare for the hearing and how to participate in resolution sessions and mediation. (See H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.)

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.” (Sen. Rep. No. 108-185, *supra*, at p. 34.) The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes. Lenape Regional High School Dist. Bd. of Educ.* (3d Cir. 2009) 306 Fed.Appx. 772, 775 [nonpub. opn.].) Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge. DISCUSSION

Student’s complaint contains five issues for hearing, which involve District’s purported failure to determine that Student remains eligible for special education services, failure to assess in all areas of suspected disability, and not developing an individualized educational program to meet Student’s unique needs because District has not found Student remains eligible for special education services. Student’s complaint alleges sufficient facts in all Issues regarding District’s purported failure to provide Student with a FAPE. Therefore, Student alleged sufficient facts to put District on notice as to Issues 1 through 5 for hearing.

Among Student’s proposed resolutions is that District continue to find Student eligible for special education services, develop a proper IEP and provide compensatory education. A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) The proposed resolutions stated in Student’s complaint are well-defined requests that meet the statutorily required standard of stating a resolution to the extent known and available to Student at the time.

ORDER

1. The complaint is sufficient under title 20 United States Code section 1415(b)(7)(A)(ii).

2. All mediation, prehearing conference, and hearing dates in this matter are confirmed.
