Liability Insurance Certificate Instructions:

On your liability insurance certificate, we need evidence of at least 1 million garage or general liability, and also evidence of **garagekeeper's legal liability** coverage for sufficient limits to cover any and all vehicles in custody of the Vendor at a given time.

We also need you to add an additional insured statement with these exact words:

“The State of California, its officers, agents, employees and servants are additional insureds, but only insofar as the operations under this Agreement are concerned.”

Please Note: The above additional insurance language MUST be included with the Garage Liability insurance certification sheet or your company will not become an approved vendor with the State of California

And finally, we need to be listed as certificate holders. Here is the name and address:

State of California
Department of General Services
Office of Fleet and Asset Management
1700 National Drive
Sacramento, CA 95834

For your Worker's Compensation Insurance, if it is a separate certificate, we need to be added as certificate holders. No additional wording is required for the Worker's Compensation Certificate.
