

DEPARTMENT OF GENERAL SERVICES
STATEWIDE TRAVEL MANAGEMENT PROGRAM
TRAVEL BULLETIN

Effective: July 1, 2010
Expiration: June 30, 2011

Travel Bulletin # 10-05

SUBJECT: Discount Airfare for Official State Business

PURPOSE: Extension of Contracts

REFERENCE: Travel Bulletin 09-04

Purpose

This Travel Bulletin announces the extension of the current contracts for discount airfare and the addition of new contracted discount airfares through Mexicana Airlines. All discount airfares are available through contracts executed between the State of California and the following airlines:

- Alaska Airlines
- JetBlue
- Mexicana Airlines
- Southwest Airlines
- United Airlines
- Virgin America

These discount airfares are set for use by employees of State departments, universities, local government and K-12 public school districts for travel on official government or school business. The contracted rate includes airfare for origination and destination points known as city pairs for intra-California, out-of-state, and international destinations and are listed at www.travel.dgs.ca.gov. Contracted airfares will be used by all State departments unless a lower airfare can be obtained that is in the best interest of the State. Departments may impose more restrictive travel rules as determined by their operational need. Reference your individual departmental travel policy for specific limitations and guidelines.

Contract Term

The extended contract is effective July 1, 2010 – June 30, 2011.

Discount Airfare

The State of California has three types of discount airfares – Unrestricted (YCAL), Restricted (Capacity-Controlled) and Internet (Variable) fares.

- YCAL fares are fully-refundable unrestricted airfares that offer last seat availability and are for travel in either direction of the city pair.
- Capacity Controlled fares are restricted meaning that airlines set aside a limited number of seats on each flight for the State of California. These airfares are also fully refundable and are for travel in either direction of the city pair. These fares are less expensive than the unrestricted YCAL fares. Capacity Controlled fares are typically available when a traveler is able to make travel arrangements early.
- Internet fares are fully refundable unrestricted airfares that offer last seat availability and are for travel in either direction of the city pair. These variable fares can decrease or increase during the contract cycle. Travelers are encouraged to check swabiz.com for the lowest fares.

**Using the
Discount Airfare**

Discount YCAL and Capacity Controlled fares are available through Alaska Airlines, JetBlue, Mexicana Airlines, United Airlines, and Virgin America and can only be booked through TravelStore, the authorized travel agency for the State of California and Cliqbook, the online booking tool. A link to Cliqbook can be located at www.caltravelstore.com.

Internet fares are only available through SWABIZ (www.swabiz.com), the business portal of Southwest Airlines.

**Internet Airfares
Southwest Airlines**

State departments that make their reservations directly through Southwest Airlines SWABIZ portal incur **no booking service fees**. As part of Governor Schwarzenegger's direction to obtain transparent, cost-effective travel, all departments are required to have an established Business Travel Account and to use www.swabiz.com to eliminate the travel agency service fee. Per TB 09-04 departments were instructed to have an established Business Travel Account and to complete the SWABIZ enrollment process by September 1, 2009. If your department did not complete the enrollment process, you must immediately contact Lori Wasson, dedicated State Department/Agency Travel Program Specialist at lori.wasson@dgs.ca.gov or 916-376-3992 for assistance.

**2010 Airfares
CA International City Pairs**

Contracted rates are from July 1, 2010 through June 30, 2011. Please note all fares are designated as (YCAL) and (Capacity Controlled) in airline computer reservation systems. YCAL fares are unrestricted and not subject to limited seating. The amount reflects a one-way fare in either direction.
