**Registration**

Please type your personal information in each field. Type your first and last name as you want them to display on your completion certificate. Your e-mail address will be your user name for the final exam. Select an authentication question from the drop-down list and type an answer that will be easy for you to remember. You can use the authentication question to access the final exam if you forget your password. Click Register when you are done.

Please choose your authentication question:

Please type your answer:

Please choose your user type:

[Back to the login page](#)   [Register](#)

**To register, specify information in every field. Select user type carefully, since it controls which lessons you have access to. Click Register when you are done. Next time, log in as a registered user. You can change your personal information (e.g., last name) after you log in again, if needed.**
