Travel Bulletin #12-06

SUBJECT: Park 'N Fly Rates
PURPOSE: Rate Increase for some Park 'N Fly Locations
REFERENCE: Travel Bulletin 11-01

Purpose This Travel Bulletin announces a rate change for some Park 'N Fly locations.

Background The Park 'N Fly Network offers premium off-airport parking locations. Off-airport parking reduces travel costs and provides significant savings to the State. California Park 'N Fly locations include: Burbank [BUR], Los Angeles [LAX], Oakland [OAK], Ontario [ONT], San Diego [SAN], San Francisco [SFO], and San Jose [SJC]. Additionally, there are over 80 off-airport locations nationwide.

Park 'N Fly is incorporated into the Concur online booking tool. Concur will allow government travelers to make a parking reservation at the same time they are booking their air, hotel and car reservations in Concur. For travel reservations outside of Concur, i.e. SWABIZ, travelers can access the Park 'N Fly rates at: https://book.pnfnetwork.com/travel/gateway.rvix?action_route=0:PARKING:1:PR OMO2&tracking_number=0360001.

Benefits There are numerous benefits to using Park 'N Fly:

- The State of California rate is as much as 25% less than Park 'N Fly's regular rate and up to 50% less than airport parking.
- Enjoy the convenience of booking airport parking along with the rest of the trip; parking reservations can be added to your Cliqbook itinerary with a single click.
- Change or cancel reservations online before drop-off at no charge
- Continuous shuttle service (runs every 3-5 minutes) that picks you up and drops you off at your car.
- Complimentary luggage assistance.
- Off-airport parking locations are gated, well-lit, and located within at least 2 miles from the airport.
- This discounted rate is also valid when you park for leisure travel.

Park 'N Fly Rates Park 'N Fly has extended their rates to our government travelers for all of their California locations. The rates are significantly less than the posted Park 'N Fly rates and the on-airport parking rates. Please see Attachment 1, "California Park 'N Fly Rates", for airport locations and rates.
