SCOPE OF WORK

The DGS PD, on behalf of the OFAM STP is procuring services for rental vehicles used by employees of the State and all optional users who travel on official State business, in a continued effort to provide consistency, accountability and transparency with State travel expenditures.

The State and The Entities of Enterprise Holdings, Inc. listed on attached Schedule 1 (hereinafter referred to as the "Contractor"), hereby agree that the Contractor will provide the State with rental car services in accordance with the terms and conditions of this agreement.

The Contractor agrees that the terms and conditions set forth herein take precedence over any contrary policies and provisions of any Contractor rental document that the State of California employee signs when renting a vehicle. Representations by, and obligations of, the Contractor, hereunder are also representations by, and obligations of, Contractor's participation franchisees and subcontractors.

1. AGREEMENT

- A. The Contractor agrees to provide the State employees short term/long term vehicle Commercial Car Rental (CCR) and services for official State business.
 - 1) The Contractor agrees that in renting vehicles, both short-term and long-term rentals, through the State of California CCR contract it shall act in accordance with the following policies:
 - (a) When the Contractor receives a recall notice to owners under Section 30118 of the Federal Motor Vehicle Safety Act pursuant to 49 CFR 577.5 from a manufacturer and the Vehicle Identification Number (VIN) allowing Contractor to identify vehicles subject to the recall, Contractor grounds all such vehicles as soon as practicable. Pursuant to this policy such vehicles will not be made available for rental under the State of California contract until a remedy specified by the manufacturer has been completed.
- B. Participating Locations, hours of operation and by-pass availability are identified in Attachment 3 incorporated by reference and available for viewing at:
<http://www.dgs.ca.gov/pd/Programs/Leveraged/masteragreements/CommercialCarRentalCCR.aspx>.
The minimum hours of operation within the scope of this contract shall be consistent with airport hours at those locations and consistent with business hours at all other locations.
- C. This Agreement cannot be considered binding on either party until approved by DGS/PD.
- D. The rates specified in Exhibit E and Exhibit F are in effect for the current contract term; however, Contractor may request a price increase for contract extensions in accordance with the following procedure:

The State may authorize price increases should the State decide to extend the contracts. The price increase shall in no case exceed the Consumer Price Index (CPI) for the previous calendar year. A written request for the cost increases must be submitted to the DGS/PD Administration at least ninety (90) days prior to the effective date. The Contractor shall include in the written request full justification for the price increase. The CPI will be calculated according to the Consumer Annual Average for California which Contractor may find via the State of California, Department of Finance, Economic Research Section, Sacramento, California, telephone number (916) 322-2263.

EXHIBIT A

2. TERMS

- A. The term of the agreement will be from January 1, 2011 through June 30, 2016, or the award and execution of a replacement contract, whichever occurs first. Should the award and execution of a replacement contract occur prior to June 30, 2016, DGS will notify Contractor of the effective date of that award and the corresponding end date of this agreement.

3. PERFORMANCE

- A. Performance shall start not later than five (5) business days, or on the express date set by the DGS and the Contractor, after all approvals have been obtained and the agreement is fully executed. Should the Contractor fail to commence work at the agreed upon time, the DGS, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between its contracted bid price and the actual cost of performing the work by another contractor.
- B. Contractor will identify the name, business address and portion of work to be completed of each subcontractor who performs work to this contract.
- C. All performance under the agreement shall be completed on or before the termination date of the agreement.
- D. The contractor will provide a 100% of the vehicle requests and perform per contractual agreement. In no case should a government employee utilizing this contract be turned away. The State will periodically review reports to determine if the vendor is in compliance. The STP Administrator and Statewide Travel Manager will direct matters of serious concern to the Contractor's appropriate headquarters personnel.
- E. Full compliance with the terms of this Agreement is required of the Contractor and its participating locations. Any material deviation from standard rental car practices, or from the terms of this Agreement, may constitute good cause for an individual rental location to be placed in an immediate nonuse status until such time as the State of California determines that proper remedial measures have been taken (or implemented if that's preferred). Serious violations on a system-wide basis may justify disqualification of the Contractor from further State of California business. If the Contractor is disqualified, this Agreement will be immediately terminated.
- F. In the event that the Contractor is determined to be non-compliant by the State, the State will have the option to add or change vendors without a bid process and award based on the bids submitted through the RFP.

4. SERVICE

- A. The Contractor will provide all necessary automotive and required services under this contract.
- B. At the completion of each service, the Contractor will provide Receipt of services that will contain all charges listed, identifying the base rate, fuel and/or any excess charges in addition to the charges for the vehicle, The receipt should also contain the renter's name and information provided prior to the rental. Should a credit be issued, the Contractor will provide receipt reflecting correction.
- C. The State does not guarantee the amount of work or services that may be requested from the Contractor.

EXHIBIT A

5. ZERO EMISSION VEHICLES

- A. Where available, the Contractor shall provide Zero Emission Vehicles (ZEVs) that emit no tailpipe pollutants from the onboard source of power. This Vehicle Class offered for rental in limited numbers may not be available at all California, Domestic and International locations.
