

SPEC: STAFF SERVICES ANALYST (VARIOUS CLASSES) SERIES
CALIFORNIA STATE PERSONNEL BOARD

SPECIFICATION

STAFF SERVICES ANALYST (VARIOUS CLASSES)
Consolidated Series Specification
(Established September 22, 1977)

Schem Code	Class Code	Class
JY20	5157	Staff Services Analyst (General)

DEFINITION OF SERIES

This consolidated series specification describes a recruiting and developmental class for persons qualified to perform analytical work in one or more areas of a broad range of governmental and managerial problems. Incumbents are assigned duties and responsibilities commensurate with their background and training. Under supervision, incumbents perform work of average difficulty in a wide variety of consultative and analytical staff services assignments such as program evaluation and planning; systems development; budgeting, planning, training, management, and personnel analysis; and do other related work.

This is the first journey level. Positions are permanently allocated to this class when the major portion of tasks performed do not include the more responsible, varied, and difficult assignments found in the full journey person level.

SCOPE OF STAFF SERVICES ANALYST (GENERAL)

Studies the principles and techniques of the area of work to which assigned and, under supervision, applies them; participates in analytical studies of organization, procedures, budgetary requirements, and personnel management; gathers, tabulates, and analyzes data; draws organization, workload, and other charts; interviews and consults with departmental officials, employees, and others to give and secure information; prepares reports and makes recommendations on procedures, policies, and program alternatives; reviews and analyzes proposed legislation and advises management on the potential impact; makes decisions on financial, personnel, and other transactions of average complexity; works as a field representative in intergovernmental negotiations; prepares correspondence.

MINIMUM QUALIFICATIONS

STAFF SERVICES ANALYST (GENERAL)

Either I

Education: Equivalent to graduation from college with any major, but preferably with specialization in public or business administration,

accounting, economics, political or social science, or law.
 (Registration as a senior in a recognized institution will admit applicants to the examination, but they must produce evidence of graduation or its equivalent before they can be considered eligible for appointment.) (Work experience in the California state service may be substituted for the required education on a year-for-year basis by applicants who have at least six semester or nine quarter units of college level training in public or business administration, accounting, economics, political or social science, English, speech, statistics, law, or a closely related area.)

Or II

Six months of experience performing the duties of a Personnel Technician I, Range B, in State service.

Or III

Six months of experience performing the duties of a Budget Technician I, Range B, in State service.

Or IV

Six months of experience performing the duties of a Management Services Technician, Range B, or Occupational Technician (General), Range B, or Business Service Assistant (Specialist), Range B, in State service.

Or V

Experience: One year of experience in the California state service performing the duties of a class at a level of responsibility equivalent to a Program Technician II, Office Services Supervisor I, or Office Technician. and

Education: Twelve semester or eighteen quarter units of college courses in Public or Business Administration, Accounting, Economics, Political or Social Science, English, Speech, Statistics, Law, or a closely related area.

KNOWLEDGE AND ABILITIES

STAFF SERVICES ANALYST (GENERAL)

Knowledge of: Principles, practices, and trends of public and business administration, management, and supportive staff services such as budgeting, personnel, and management analysis; governmental functions and organization.

Ability to: Reason logically and creatively and utilize a variety of analytical techniques to resolve complex governmental and managerial problems; develop and evaluate alternatives; analyze data and present ideas and information effectively both orally and in writing; consult with and advise administrators or other interested parties on a wide variety of subject-matter areas; gain and maintain the confidence and cooperation of those contacted during the course of work.

SPECIAL PERSONAL CHARACTERISTICS

STAFF SERVICES ANALYST (GENERAL)

Willingness as a learner to do routine or detailed work in order to learn the practical application of administrative principles; and demonstrated capacity for development as evidenced by work history, academic attainment, participation in school or other activities, or by well-defined occupational or avocational interests; willingness

and ability to accept increasing responsibility.
