

Amend Regulation Section 1859.76

Section 1859.76. New Construction Additional Grant for Site Development Costs.

In addition to any other funding authorized by these Regulations, the Board shall provide funding equal to 50 percent of the following approved site development and applicable design costs:

. . . .

- (d) General Site Development costs within school property lines for an addition to an existing school site project wherein additional acreage is acquired, with the exception of existing school site acreage that is leased pursuant to Section 1859.22, or a new school project, determined as follows:
 - (1) \$19,200 per Useable Acre as approved by the CDE. This sum may be increased by the percentage identified in Section 1859.83(b). The per acre amount shown above shall be adjusted annually in the manner prescribed in Section 1859.71.
 - (2) 6 percent of the State and district share for Elementary School Pupils and Middle School Pupils and 3.75 percent of the State and district share for High School Pupils of the New Construction Grant. For purposes of this calculation, the percentage amount for Severely Disabled Individuals with Exceptional Needs and Non-Severely Disabled Individuals with Exceptional Needs pupils shall be based on the type of project selected by the district on the Form SAB 50-04.
 - (3) 6 percent of the State and district share for Elementary School Pupils and Middle School Pupils and 3.75 percent of the State and district share for High School Pupils of the funding provided by Sections 1859.71.2, 1859.72, 1859.73, 1859.73.2, 1859.82, 1859.83(a), (b) and (c) and 1859.125(a)(1) through (a)(2).

Subsection (d) of this section shall be suspended no later than January 1, ~~2014~~ 2015, unless otherwise extended by amendments as adopted by the Board.

The district must submit a detailed cost estimate for all requests for site development work, with the exception of General Site Development, and any justification documents that will support the work with the Form SAB 50-04.

The Board will approve reasonable and appropriate site development work which meets common engineering practices and industry standards that are consistent with the specific site conditions if the site development costs are consistent with the most current edition of the Saylor Current Construction Costs. The design professional must certify to the district that the site development work does not exceed the minimum requirements to develop the site to meet educational needs and/or standards.

General Site Development provided pursuant to 1859.76(d)(1), service site and off-site development costs shall be reduced, on a prorated basis, by the percentage of the excess acreage of the site that exceeds the master plan site acreage approved by the CDE.
