

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, December 15, 2010

DEFERRED MAINTENANCE PROGRAM FUNDING

PURPOSE OF REPORT

To apportion funding of \$255.9 million for the Deferred Maintenance Program (DMP) for Fiscal Year (FY) 2009/2010.

DESCRIPTION

The State Allocation Board (Board) apportions funding annually for the DMP. The funding for this program is made available by the following funding sources: the Budget Act, any excess repayments from the former State School Building Aid Program (SSBAP), State School Site Utilization funds, and unallocated DMP funding from the previous year.

BACKGROUND

The DMP provides State funding in arrears to assist school districts with major repair or replacement of existing school building components. The DMP receives its funding annually, with the majority of funding made available through the Budget Act and the Board apportions funding for the DMP each FY after the Budget Act is signed.

In response to the State budget crisis, the Governor and the Legislature adopted various measures to provide districts with flexibility in the use of funds. As approved by the Board, beginning with FY 2008/2009 allocations through 2012/2013, DMP apportionments are to be based on the funding baseline established for the 2008/2009 funding cycle and will be in lieu of traditional allocations based on a specific formula for each FY. Additionally, Chapter 12, Statutes of 2009, (SBX3 4 – Ducheny) and the 2009/2010 Budget Act, Chapter 2, Statutes of 2009 (ABX4 2 – Evans) eliminates the local matching share requirements and allows school districts to use the DMP funding for “any educational purpose” through FY 2012/2013. While districts may expend their reduced DMP funding for any educational purpose, the law, as amended, does not obligate the State to refund or repay a school district that decides to use the flexibility provision and disburse DMP funds for other educational purposes pursuant to EC Section 42605.

AUTHORITY

Education Code (EC) Section 42605 specifies the following:

- Establishes a funding baseline for DMP through FY 2012/2013 using the FY 2008/2009 funding amounts;
- Provides a flexibility clause allowing districts to use the funding for "any educational purpose" through 2013;
- Considers a Local Educational Agency (LEA) to be in compliance with all program and funding requirements for five years; and
- Directs the Superintendent of Public Instruction or other administering state agency to apportion DMP funding from FY 2009/2010 through FY 2012/2013.

EC Section 17587, which authorizes funding for Deferred Maintenance Extreme Hardship projects, is suspended until July 1, 2013.

EC Section 17584.1, which requires a local district matching deposit for deferred maintenance purposes, is suspended until July 1, 2013.

EC Section 17080 provides that the Board shall direct the State Controller to transfer the excess repayments from SSBAP to either the Deferred Maintenance Fund (DMF) or the Lease-Purchase Fund.

(Continued on Page Two)

STAFF COMMENTS

The Board approved the apportionment of all available DMP funding in the amount of \$240,576,012 on April 22, 2009 for the FY 2007/2008 funding cycle. By this action, the Board established a baseline for the relative proportionate funding level for the DMP for the next four years. On November 4, 2009, the Board approved the apportionment of the DMP funding available for the FY 2008/2009 in the amount of \$255,344,942. The DMP funding available for the FY 2009/2010 is \$255,948,626 as detailed below.

2009/2010 Budget Act	\$250,902,000
Less Administrative Costs	(160,000)
Excess Repayments (State School Building Aid Program)	1,263,329
Site Utilization	2,487,319
Carryover from Previous Year	<u>1,455,978</u>
Total Available for Apportionment	<u>\$ 255,948,626</u>

Staff will continue to implement the plan put forward by the Board on April 22, 2009, that established a funding baseline for the DMP through FY 2012/2013 and ensure that each district receives the same relative proportionate percentage of funding. The calculation includes Extreme Hardship funding for those funding requests approved by the Board on April 22, 2009. The Board approved to fund these Extreme Hardship funding requests at the previously approved funding level over a period of five years. The Board considers these Extreme Hardship projects to be fully funded and will not consider any requests for an increase in funding.

RECOMMENDATIONS

1. Apportion \$255,948,626 as shown on the Attachment.
2. Direct the State Controller to transfer excess repayments of \$1,263,329 to the DMF pursuant to EC Section 17080.
3. Approve the transfer of the unallocated carryover funds from last year of \$1,455,978 for allocation in the current apportionment funding.

This Item was approved by the State Allocation Board on December 15, 2010.
