

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, February 28, 2007

SCHOOL FACILITIES NEEDS ASSESSMENT GRANT PROGRAM

PURPOSE OF REPORT

To provide a progress report regarding the School Facilities Needs Assessment Grant Program (Program).

BACKGROUND

Senate Bill (SB) 6 allocated \$25 million for local educational agencies (LEA) with eligible schools to perform a one-time assessment of school facility needs, which were to be submitted to the Office of Public School Construction (OPSC) no later than January 1, 2006. In addition, LEAs were to submit the *Expenditure Report* no later than January 1, 2007 to report how the funds were spent. If after completing the assessment there were any remaining funds, LEAs could use those funds to complete any necessary repairs identified in the assessment. Any funds not expended by January 1, 2007 must be returned to the State.

DESCRIPTION

This report provides an update on the outstanding Needs Assessment Reports (Reports) and *Expenditure Reports*. A total of 2,049 Reports were deemed eligible statewide, based on certifications by 356 LEAs.

AUTHORITY

SB 6, Chapter 899, Statutes of 2004 (Alpert), as a part of the settlement agreement in the case of Williams vs. California, established the School Facilities Needs Assessment Grant Program.

SB 512, Chapter 577, Statutes of 2005 (Committee on Education), removed the county-operated schools from the list of schools required to complete the assessment as published by the California Department of Education.

Assembly Bill 831, Chapter 118, Statutes of 2005 (Committee on Education), revised the criteria for identifying schools ranked in deciles one to three on the 2003 Academic Performance Index.

STAFF COMMENTS

The OPSC has received 2,016 Reports of the required 2,049. The LEA has indicated the 33 Reports that remain outstanding are in progress. Attachment A indicates the LEA that has not submitted Reports for its eligible schools. Recently, as well as throughout the process, Staff performed additional outreach and contacted the LEA with the outstanding Reports. Additionally, Staff previously sent letters to the LEA detailing the requirements and timelines to comply with the law. As a result of this outreach, the LEA responsible for 33 Reports has indicated that it will submit the assessments by June of 2007.

The OPSC has received 92 *Expenditure Reports* of the required 356. Attachment B lists the 264 LEAs that have not submitted an *Expenditure Report*. The OPSC will be sending out additional reminder letters to the LEAs on Attachment B to ensure compliance. Once the OPSC reviews the submitted *Expenditure Reports* and the amount of savings is determined, the LEAs will be required to return any unused funds to the State.

RECOMMENDATION

Accept this report.

BOARD ACTION

In considering this Item, the Board accepted the report. The Board requested Staff to provide further updates, as warranted, as they progress with expenditure report review process.
