

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, November 4, 2009

DEFERRED MAINTENANCE PROGRAM FUNDING

PURPOSE OF REPORT

To apportion funding for the Deferred Maintenance Program (DMP).

DESCRIPTION

The State Allocation Board (SAB) apportions funding annually for the DMP. The funding for the program is made available by the following funding sources: the Budget Act, any excess repayments from the former State School Building Aid Program (SSBAP), State School Site Utilization funds, and unallocated DMP funding from the previous year.

BACKGROUND

The DMP provides State funding to assist school districts with major repair or replacement of existing school building components. The DMP receives its funding annually, with the majority of funding made available through the Budget Act. The SAB apportions funding for the DMP after December 1 of each fiscal year (FY).

In response to the State budget crisis, the Governor and the Legislature adopted various measures to provide districts with flexibility in the use of funds. Beginning with 2008/2009 allocations, the next five years of DMP apportionments are based on a funding baseline established by the SAB for the 2008/2009 funding cycle in lieu of traditional allocations based on specific formula for each fiscal year. Additionally, Chapter 12, Statutes of 2009, (SBX3 4 – Ducheny) and the 2009/2010 Budget Act, Chapter 2, Statutes of 2009 (ABX4 2 – Evans) eliminate the local matching share requirement and allow school districts to use the DMP funding for "... any educational purpose" through fiscal year 2012/2013. While districts may expend their reduced DMP funding for any educational purpose, the State is not obligated to refund or repay reductions that the school district is otherwise entitled to pursuant to Education Code (EC) Section 42605.

AUTHORITY

EC Section 17584(c) requires the SAB to apportion specified funds for the DMP after December 1 of each fiscal year.

EC Section 42605 specifies the following:

- Establishes a funding baseline for DMP through 2012/2013 FY using the 2008/2009 FY funding amounts;
- Provides a flexibility clause allowing districts to use the funding for "...any educational purpose" through 2013;
- Considers a Local Educational Agency (LEA) to be in compliance with all program and funding requirements for five years; and
- Directs the Superintendent of Public Instruction or other administering state agency to apportion DMP funding from FY 2009/2010 through 2012/2013.

EC Section 17587, which authorizes funding for Deferred Maintenance Extreme Hardship projects, is suspended until July 1, 2013.

EC Section 17584.1, which requires a local district matching deposit for deferred maintenance purposes, is suspended until July 1, 2013.

EC Section 17080 provides that the SAB shall direct the State Controller to transfer the excess repayments from SSBAP to either the Deferred Maintenance Fund (DMF) or the Lease-Purchase Fund.

(Continued on Page Two)

STAFF COMMENTS

The SAB approved the apportionment of all available DMP funding in the amount of \$240,576,012 on April 22, 2009 for the last funding cycle. By this action by the SAB established a baseline for the relative proportionate funding level for the DMP for the next four years. DMP funding available for the 2008/2009 FY is \$255,344,942 as detailed below.

STAFF COMMENTS (cont.)

2009/2010 Budget Act	\$ 250,966,000
Less Administrative Costs	(160,000)
Excess Repayments	
(State School Building Aid Program)	1,726,932
Site Utilization	2,597,227
Carryover from Previous Year	<u>214,783</u>
Total Available for Apportionment	<u>\$ 255,344,942</u>

Staff is recommending that each district receive the same relative proportionate percentage of funding as calculated by the Office of Public School Construction and represented on the attachment of the option that the SAB approves. Each funding option calculation includes Extreme Hardship funding of 21 percent for those projects approved by the SAB on April 22, 2009. The SAB approved to fund these Extreme Hardship funding requests at 105 percent of their estimated cost over 5 years. The SAB considers these Extreme Hardship projects to be fully funded and will not consider any adjustments for these projects.

Since EC Section 17584(c) requires the SAB to apportion the specified funding for the DMP after December 1 of each fiscal year, Staff is recommending that SAB action taken at this meeting for the apportionment of available DMP funding be effective on December 2, 2009.

RECOMMENDATIONS

1. Apportion \$255,344,942 as shown on the Attachment effective December 2, 2009.
2. Direct the State Controller to transfer excess repayments of \$1,726,932 to the DMF pursuant to EC Section 17080.
3. Approve the transfer of the unallocated carryover funds from last year of \$214,783 for allocation in the current apportionment funding.
