APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM

SAB 50-04 (REV 05/14/04/15)

GENERAL INFORMATION

If this application is submitted when there is Insufficient Bond Authority, as defined in Regulation Section 1859.2, the School District must adopt and submit a school board resolution, pursuant to Regulation Section 1859.95.1. For information regarding remaining bond authority, contact the Office of Public School Construction (OPSC) prior to submittal of this application.

Once the Board has determined or adjusted the district's eligibility for either new construction or modernization funding, the district may file an application for funding by use of this form. The Board will only provide new construction funding if this form is submitted prior to the date of occupancy of any classrooms included in the construction contract. If the district has a pending reorganization election that will result in the loss of eligibility for the proposed project, the district may not file an application for funding until the Board has adjusted the district's new construction baseline eligibility as required in Section 1859.51. This may be accomplished by completion of Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03.

For purposes of Education Code Section 17073.25, the California Department of Education (CDE) is permitted to file modernization applications on behalf of the California Schools for the Deaf and Blind.

Requests for funding may be made as follows:

1. A separate apportionment for site acquisition for a new construction project for environmental hardship pursuant to Section 1859.75.1. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Contingent site approval letter from the CDE.
 - Preliminary appraisal of property.
 - Approval letter from the Department of Toxic Substances Control.
2. A separate apportionment for site acquisition and/or design costs for a new construction project pursuant to Section 1859.81.1. This apportionment is available only to districts that meet the financial hardship criteria in Section 1859.81. Districts may apply for a separate apportionment for the design and for site acquisition on the same project. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Contingent site approval letter from the CDE (site apportionment only).
 - Preliminary appraisal of property (site apportionment only).
3. A separate apportionment for district-owned site acquisition cost pursuant to Section 1859.81.2. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Site approval letter from the CDE.
 - Appraisal of district-owned site.
 - Cost benefit analysis as prescribed in Section 1859.74.6 or a copy of the Board finding that the non-school function on the district-owned site must be relocated.
4. A separate apportionment for design cost for a modernization project pursuant to Section 1859.81.1. This apportionment is available only to districts that meet the financial hardship criteria in Section 1859.81. For purposes of this apportionment, the Form SAB 50-03 must accompany this form (if not previously submitted).
5. A New Construction Adjusted Grant pursuant to Section 1859.70 or 1859.180. If the funding request includes site acquisition, the proposed site must either be owned by the district, in escrow, or the district has filed condemnation proceedings and received an order of possession of the site. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Site/plan approval letter from the CDE.
 - Appraisal of property if requesting site acquisition funds.
 - Plans and specifications (P&S) for the project that were approved by the DSA. Submittal of plans may be on CD-ROM or "Zip Drive" readable in AutoCAD 14. The specifications may be provided on a diskette that is IBM compatible.
 - Cost estimate of proposed site development, if requesting site development funding.
 - If this request is pursuant to Section 1859.77.2 and the district's housing plan is other than those listed in the certification section of this form, a copy of the school board resolution and the approved housing plan.
 - If the site apportionment is requested pursuant to Regulation Section 1859.74.5, a cost benefit analysis as prescribed in Regulation Section 1859.74.6 or a copy of the Board finding that the non-school function on the district-owned site must be relocated.
 - If this request is fully or partially based on eligibility derived from an Alternative Enrollment Projection, a justification of how the project relieves overcrowding, including but not limited to, the elimination of the use of Concept 6 calendars, four track year-round calendars, or bussing in excess of 40 minutes.
 - Written confirmation from the district's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the district consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.
6. For purposes of the Overcrowding Relief Grant (ORG), districts must submit the Overcrowding Relief Grant District-Wide Eligibility Determination (Form SAB 50-11) prior to the submittal of this funding application. In addition, districts must have had the CDE deem the site eligible for the ORG (pursuant to Section 1859.181) prior to the submittal of this application. For purposes of this apportionment, the following documents must be submitted with this form as well as the documents listed in section 5 above:
 - Overcrowding Relief Grant Eligibility Determination Form approved by the CDE.
 - Copies of the supporting documentation provided to the CDE when determining the density of the site, including the site diagram.

The district is not required to submit its current CBEDS enrollment data.
7. Modernization Adjusted Grant pursuant to Section 1859.70. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-03 (if not previously submitted).
 - P&S for the project that were approved by the DSA.
 - If the request includes funding for accessibility and fire code requirement pursuant to Section 1859.83(f), the DSA approved list of the minimum accessibility work required and a detailed cost estimate for the work in the plans.
 - DSA approval letter for elevator to meet handicapped compliance, if funding is requested.

APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM

SAB 50-04 (REV 05/14/04/15)

- Cost estimate of the proposed site development necessary for the Reconfiguration of an existing high school.
 - Plan approval letter from the CDE.
 - Districtwide enrollment data on Form SAB 50-01 when requesting project assistance (if not previously submitted).
 - If the request includes funding for 50 year old permanent buildings pursuant to Section 1859.78.6, a site diagram identifying all buildings to be modernized in the project. The diagram must specify those buildings that are at least 50 years old.
 - Written confirmation from the district's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the district consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.
8. Final Charter School Apportionment for Charter School Facilities Rehabilitation pursuant to Section 1859.167.1. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
- P&S for the project that were approved by DSA.
 - If the request includes funding for accessibility and fire code requirement pursuant to Section 1859.167.3(d), the DSA approved list of the minimum accessibility work required and a detailed cost estimate for the work in the plans.
 - DSA approval letter for elevator to meet handicapped compliance, if funding is requested.
 - High performance incentive (HPI) scorecard from DSA.
 - Plan approval letter from the CDE.
 - Construction cost estimate signed by the architect of record or design professional.
 - Determination of financial soundness from the California School Finance Authority (CSFA).
 - Written confirmation from the applicant's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the district consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.

Prior to acceptance of an application for funding that includes a financial hardship request:

- If the application is submitted pursuant to Section 1859.81, the district must have its financial hardship status "pre-approved" by the OPSC. To apply for a financial hardship "pre-approval", consult the OPSC Web site at www.dgs.ca.gov/opsc.
- If the application is submitted when there is Insufficient Bond Authority, as defined in Section 1859.2, the district must adopt a school board resolution pursuant to Section 1859.95.1(b).

If the district is requesting New Construction funding after the initial baseline eligibility was approved by the Board and the district's current CBEDS enrollment reporting year is later than the enrollment reporting year used to determine the district's baseline eligibility or adjusted eligibility, the district must complete a new Form SAB 50-01 based on the current year CBEDS enrollment data, and submit it to the OPSC with this form. In addition, if the district's request is fully or partially based on eligibility derived from an Alternative Enrollment Projection, the district must update the Alternative Enrollment Projection to correspond with the CBEDS enrollment data for the current year. A small district with 2,500 or less enrollment as defined in Section 1859.2 will not have its eligibility reduced for a period of three years from the date the district's baseline eligibility was approved by the Board as a result of reduction in projected enrollment.

For a list of the documents that must be submitted in order for the OPSC to deem a funding request for new construction or modernization complete and ready for OPSC processing, consult the SFP handbook and other information located on the OPSC Web site at www.dgs.ca.gov/opsc.

For purposes of completing this form for a Final Charter School Apportionment, a charter school shall be treated as a school district.

SPECIFIC INSTRUCTIONS

The district must assign a Project Tracking Number (PTN) to this project. The same PTN is used by the OPSC, the DSA and the CDE for all project applications submitted to those agencies to track a particular project through the entire state application review process. If the district has already assigned a PTN to this project by prior submittal of the P&S to either the DSA or the CDE for approval, use that PTN for this application submittal. If no PTN has been previously assigned for this project, a PTN may be obtained from the OPSC Web site at www.dgs.ca.gov/opsc "PT Number Generator."

1. Type of Application

Check the appropriate box that indicates the type of School Facility Program (SFP) grant the district is requesting for purposes of new construction, modernization, a separate design and/or site apportionment, site apportionment as an environmental hardship or New Construction (Final Apportionment). If the application is for the modernization of school facilities and includes facilities that are eligible for an additional apportionment pursuant to Section 1859.78.8, include a site diagram with this application that specifies the age of each facility eligible for modernization. The diagram should also indicate the date of its original DSA plan approval and the date the facility received its prior modernization apportionment. If known include the project modernization number on the diagram. If the application is for modernization of a California School for the Deaf or Blind, the CDE shall check the box identified as Modernization of California Schools for the Deaf/Blind. If the request is for a separate design apportionment, the CDE shall check the appropriate box. If the eligibility for this project was established as a result of the need for new or replacement facilities pursuant to Section 1859.82 (a) and (b), seismic replacement or seismic rehabilitation for the Most Vulnerable Category 2 Buildings, or rehabilitation pursuant to Section 1859.83 (e), check the appropriate box(es).

If this request is for an addition to an existing site and advance funding for the evaluation and RA costs, check the appropriate box and refer to Section 1859.74.4.

If this request is for an Overcrowding Relief Grant, check the New Construction (Overcrowding Relief Grant) box.

If this request is to convert a Preliminary Apportionment or a Preliminary Charter School Apportionment to a Final Apportionment, check the New Construction Final Apportionment, New Construction Final Charter School Apportionment or the Rehabilitation Final Charter School Apportionment box, as appropriate.

If the district is requesting a separate site and/or design apportionment, complete boxes 2a, 3, 4, the site acquisition data in box 5 (d and e), and boxes 13, 14, 15, 16, and 24 only.

2. Type of Project

- a. Select the type of project that best represents this application request and enter the total number of pupils assigned to the project for each grade group. Include pupils to be housed in a new or replacement school authorized by Section 1859.82 (a). The amount entered cannot exceed the district's baseline eligibility determined on Form SAB 50-03 and will be the basis for the amount of the new construction or modernization grants provided for the project.

If this request is for a Final Apportionment, the pupils assigned to the project must be at least 75 percent, but not more than 100 percent, of the pupils that received the Preliminary Apportionment. Refer to Section 1859.147.

For ORG projects, the amount entered cannot exceed the Overcrowding Relief Pupil Eligibility (pursuant to Section 1859.182 and 1859.183) as reflected in the total number of eligible pupils determined by the Form SAB 50-11 or the CDE Overcrowding Relief Grant Eligibility Determination form.

For Charter School Facilities Program Rehabilitation, leave the number of pupils blank.

- b. Check the box if the project is eligible for funding for 50 year or older permanent buildings and report, at the option of the district:
- The total number of eligible classrooms or the total eligible square footage building area at the site. Refer to Section 1859.78.6(b)(1)(A) or (b)(2)(A).
 - The total number of permanent classrooms or the total permanent square footage building area that is at least 50 years old and not been previously modernized with state funds. Refer to Section 1859.78.6(b)(1)(B) or (b)(2)(B).
 - Enter the greater percentage as calculated under Regulation Section 1859.78.6(b)(1)(C) or Regulation Section 1859.78.6(b)(2)(C).
 - If this project includes eligible 50 year or older pupil grants, enter the appropriate number assigned to the project for each grade group. The number of pupils entered cannot exceed the cumulative number of 50 year or older permanent buildings pupil grants requested for all modernization funding applications for the site as determined by using the percentage factor above.
- c. If this request includes pupil grants generated by an Alternative Enrollment Projection Method, enter the number of pupils by grade level.
- d. Indicate if this request is for funding of a 6–8 school and/or an Alternative Education School.
- e. Check the applicable box if the district is requesting additional pupil grants assigned to the project that exceed the capacity of the project or if the pupils assigned represent eligibility determined at another grade level and check the appropriate box to indicate under which regulation the district is applying. The pupil capacity of the project may be determined by multiplying the classrooms reported in box 3 by 25 for K–6; 27 for 7–8, 9–12 grades; 13 for non-severe and 9 for severe.
- f. If the request is for replacement facilities pursuant to Section 1859.82 (a) or (b) on the same site, check the facility hardship box.
- g. Enter the square footage of the non-toilet area and toilet area contained in the Charter School Facilities Program Rehabilitation project.
- h. Indicate the site scenario that best represents the project request.
- i. For ORG projects, the district must provide the following information in the space provided:
- Name of the eligible school site(s) where portables will be replaced in this project
 - Number of portables being replaced at each school site
 - Number of site specific eligible pupils being requested for this project for each school site. The total number of site specific eligible pupils assigned to this project must equal the total number of pupils in Section 2a.

3. Number of Classrooms

Enter the:

- Number of classrooms as shown on the plans and specifications (P&S). If there was demolition at the site, report the net increase in the number of classrooms showing in the P&S.
- Master plan site size, as recommended by the California Department of Education.
- Recommended site size, as determined by the California Department of Education.
- Existing Useable Acres already owned at that location (if any).
- Proposed Useable Acres that was/will be purchased as part of the application (if any).

4. Financial Hardship Request

Check the appropriate box(es) if the district is requesting financial hardship assistance because it is unable to meet its matching share requirement.

- If the district is submitting this form pursuant to Section 1859.81, the district must have received a pre-approval for financial hardship status by the OPSC. Consult the OPSC Web site at www.dgs.ca.gov/opsc for details and necessary documentation needed in order to determine eligibility.
- If there is Insufficient Bond Authority for the type of application, check the second box and attach a school board resolution pursuant to Section 1859.95.1(b).

5. New Construction Additional Grant Request

Check the appropriate box(es) if the district requests an augmentation to the new construction grant for "additional" grants for the items listed or for replacement facilities pursuant to Section 1859.82(a) and (b). Refer to Sections 1859.72 through 1859.76 and 1859.82(a) and (b) for eligibility criteria. Enter the:

- a. Therapy area in square feet as provided in Section 1859.72.
- b. Multilevel classrooms in the P&S pursuant to Section 1859.73.
- c. Check the box if the district is requesting project assistance pursuant to Section 1859.73.1. If the district has not submitted a request for new construction baseline eligibility on a district-wide basis, it must submit a current Form SAB 50-01 based on district-wide enrollment data with this form.
- d. If the project the district is requesting SFP funding for does not require an RA, refer to Section 1859.74. If a RA is required on a site that is not leased or an addition to an existing site, refer to Section 1859.74.2. If RAs are required on a leased site or an addition to an existing site, refer to Sections 1859.74.3 or 1859.74.4, respectively. The limitation of 50 percent may be exceeded when unforeseen circumstances exist, the CDE determines that the site is the best available site, and substantiation that the costs are the minimum required to complete the evaluation and RA.
 - 1) Enter 50 percent of the actual cost.
 - 2) Enter 50 percent of the appraised value of the site. If the request is made pursuant to Regulation Section 1859.74.5, enter 50 percent of the appraised value.
 - 3) Enter 50 percent of the allowable relocation cost.
 - 4) Enter two percent of the lesser of the actual cost or appraised value of the site (minimum \$25,000).
 - 5) Enter 50 percent of the Department of Toxic Substances Control (DTSC) fee for review and approval of the phase one environmental site assessment and preliminary endangerment assessment reports. Refer to Sections 1859.74, 1859.74.1, 1859.74.5, 1859.75, 1859.75.1 and 1859.81.1.

A project that received site acquisition funds under the Lease-Purchase Program (LPP) as a priority two project is not eligible for site acquisition funds under the SFP. A district-owned site acquired with LPP, SFP or Proposition 1A funds is not eligible for funding under Regulation Section 1859.74.5.

- e. Enter 50 percent of the amount allowable for hazardous materials/waste removal and/or remediation for the site acquired pursuant to Sections 1859.74.2, 1859.74.3, 1859.74.4, 1859.75.1 or 1859.81.1. If an RA is required, check the box.
- f. Enter 50 percent of eligible service-site development, off-site development including pedestrian safety paths and utilities costs allowed pursuant to Section 1859.76. Attach cost estimates of the proposed site development work which shall be supported and justified in the P&S. All cost estimates shall reflect 100 percent of the proposed work.

Check the box if the district is requesting an Additional Grant for General Site Development pursuant to Section 1859.76

- g. If the district is requesting replacement facilities on the same site, (including seismic replacement), enter the square footage requested as provided in Section 1859.82(a) or (b).
- h. If the request for seismic rehabilitation does not exceed 50 percent of the current replacement cost of the classroom or related facility, report 50 percent of the health/safety seismic mitigation cost and the ancillary costs as authorized by Section 1859.82(a).
- i. Enter the square feet of eligible replacement area as provided by Section 1859.73.2.
- j. If the district is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.71.3, enter the percentage of energy efficiency that exceeds Title 24 requirements as prescribed in Section 1859.71.3(a)(3).
- k. Check the box(es) if the district requests and the project qualifies for additional funding for fire code requirements authorized in Section 1859.71.2.
- l. If the district is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.70.4, enter the number of high performance points as prescribed in Section 1859.71.6 or 1859.77.4, as appropriate.

6. Modernization Additional Grant Request

- a. Check the box if the district is requesting project assistance allowance pursuant to Section 1859.78.2. If the district has not submitted a request for new construction baseline eligibility on a district-wide basis, it must submit a current Form SAB 50-01 based on district-wide enrollment data with this form.
- b. If the district is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.78.5, enter the percentage of energy efficiency that exceeds Title 24 requirements as prescribed in Section 1859.78.5(a)(3).
- c. Check the box if the district requests an additional grant for site development utility cost necessary for the modernization of 50 years or older permanent building(s). Enter 60 percent of the eligible costs allowable pursuant to Section 1859.78.7(a).
- d. Check the box(es) if the district requests and the project qualifies for additional funding for fire code requirements authorized in Section 1859.78.4.
- e. If the district is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.70.4, enter the number of high performance points as prescribed in Section 1859.77.4.

7. Excessive Cost Hardship Request

Check the appropriate box to request an augmentation to the New Construction or Modernization Grants for an excessive cost hardship for the items listed. Refer to Section 1859.83 for eligibility criteria. Requests for excessive cost grants for accessibility requirements are allowed only if required by the Division of the State Architect (DSA). At the district's option, the district may request three percent of the modernization base grant or enter 60 percent of the amount calculated pursuant to Regulation Section 1859.83(f). Attach a copy of the DSA approved list that shows the minimum work necessary for accessibility requirements.

If the request is for the excessive cost grant for a new Alternative Education school pursuant to Section 1859.83(c)(2) and the district wishes to request less than the maximum allowance, please submit a letter along with application indicating the desired amount.

If the request is for rehabilitation mitigation, report 80 percent or 60 percent (as appropriate) of health/safety rehabilitation mitigation cost for a modernization project as authorized by Section 1859.83(e).

8. Charter School Facilities Program Rehabilitation – Additional Grant and Excessive Cost Hardship Request

Additional Grant Request

- a. If the applicant is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.77.4, enter the number of high performance points as prescribed in Section 1859.77.4.

Excessive Cost Hardship Request

Check the appropriate box to request an augmentation to the Charter School Facilities Program Rehabilitation grants for an excessive cost hardship for the items listed. Refer to Section 1859.167.4 for eligibility criteria.

- b. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to Geographic Location pursuant to Section 1859.167.3(a).
- c. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant for a small size project pursuant to Section 1859.167.3(b).
- d. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to Urban Location, Security Requirements, and Impacted Site pursuant to Section 1859.167.3(c).
- e. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to accessibility and fire code requirements pursuant to Section 1859.167.3(d). Requests for excessive cost grants for accessibility requirements are allowed only if required by the Division of the State Architect (DSA). At the applicant's option, the applicant may request three percent of the Charter School Facilities Program Rehabilitation Grant or enter 50 percent of the amount calculated pursuant to Regulation Section 1859.167.3(d)(2). Attach a copy of the DSA approved list that shows the minimum work necessary for accessibility requirements.

9. Project Priority Funding Order

Enter the priority order of this project in relation to other new construction applications submitted by the district on the same date. If applications are not received on the same date, the OPSC will assign a higher district priority to the application received first. Check the box(es) if the project meets the criteria outlined in Section 1859.92(c)(3),(4) and (6), as appropriate. This information is needed for purposes of priority points.

10. Prior Approval Under the LPP

If the project the district is requesting SFP grants for received a Phase P, S, or C approval under the LPP, report the application number of that project, regardless if the project actually received funding or was included on an "unfunded" list. Failure to report this information may delay the processing of the application by the OPSC.

11. Prior Apportionment Under the SFP

If the project received a separate apportionment under the SFP for either site and/or design, or site environmental hardship, enter the application number of the project. Failure to report this information may delay the processing of the application by the OPSC.

12. Preliminary Apportionment to a Final Apportionment

If this request is to convert a Preliminary Apportionment to a Final Apportionment, enter the application number of the Preliminary Apportionment. Failure to report this information may delay the processing of the application by the OPSC.

13. Alternative Developer Fee

The district must report certain alternative fees collected pursuant to Government Code Section 65995.7, as of the date of application submittal to the OPSC. Refer to Section 1859.77 for details. Districts are advised that the OPSC may perform an audit of the developer fees collected prior to application approval by the Board.

14. Adjustment to New Construction Baseline Eligibility

Pursuant to Section 1859.51 certain adjustments to the district's new construction baseline eligibility must be made each time a district submits Form SAB 50-04, to the OPSC for SFP new construction or modernization grants. These adjustments are made by the OPSC based on information reported by the district on this form.

- a. Report all classroom(s) provided after the district submitted its request for determination of its new construction baseline eligibility for the grades shown, or indicate N/A if there are none. Refer to Section 1859.51(i).

In the additional classroom column, indicate the number of additional net classrooms provided if not previously reported.

In the replacement classroom column, indicate the number of classrooms that were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75 but replaced in a locally funded project.

Enter the date the initial construction contract was signed for additional or replacement classrooms.

15. Pending Reorganization Election

Complete only for new construction projects. Indicate if there is a pending reorganization election that will result in a loss of eligibility for this project. If the answer is "yes", the district must complete Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03, to adjust the district's new construction baseline eligibility as a result of the reorganization and submit them with this form.

16. Joint-Use Facility/Leased Property

Check the box if:

- The facilities to be constructed/modernized as part of this project will be for joint use by other governmental agencies.
- The new construction or modernization grants will be used for facilities located or to be located on leased property.

17. Project Progress Dates

- Enter the date(s) the construction contract(s) was awarded for this project(s). If a construction contract has not been executed, enter N/A. (If the space provided is not sufficient for all applicable contract dates, please list all dates on a separate attachment to this form.)
- Enter the issue date(s) for the Notice to Proceed for the construction phase of the project, or enter N/A if a Notice to Proceed has not been issued.
- If a construction contract was awarded prior to January 1, 2012, check the appropriate box to indicate whether or not the district has initiated and enforced a Labor Compliance Program (LCP) approved by the Department of Industrial Relations (DIR) pursuant to Labor Code Section 1771.7 for this project.

18. Prevailing Wage Monitoring and Enforcement Costs

If the construction contract for this project was or will be awarded on or after January 1, 2012, check the appropriate box to indicate which of the following methods will be used to meet the requirement for prevailing wage monitoring and enforcement pursuant to Labor Code Section 1771.3:

- The DIR Compliance Monitoring Unit (CMU)
- A DIR-approved internal LCP
- A collective bargaining agreement that meets the criteria set forth in Labor Code Section 1771.3(b)(3).

19. Construction Delivery Method

Check the box that best represents the construction delivery method that the district has or will use for this project, if known.

20. Career Technical Education Funds Request

Indicate if Career Technical Education (CTE) funds will be requested for classroom(s) included in the plans and specifications for this project pursuant to Section 1859.193. If "Yes", enter the number of CTE classroom(s) shown on the P&S.

21. Overcrowding Relief Grant Narrative

The district must either provide an explanation in the space provided or attach a letter signed by the district representative detailing how this project will relieve overcrowding.

22. Architect of Record or Licensed Architect Certification

The architect of record or the licensed architect must complete this section.

23. Architect of Record or Design Professional Certification

The architect of record or the appropriate design professional must complete this section.

24. Certification

The district representative must complete this section. For additional information regarding district certifications, refer to the SFP handbook located on the OPSC web site at www.dgs.ca.gov/opsc.

23. Architect of Record or Design Professional Certification

I certify as the architect of record for the project or the appropriate design professional, that:

- If the request is for a New Construction Grant, not including the ORG, I have developed a cost estimate of the proposed project which indicates that the estimated construction cost of the work in the P&S including deferred items (if any) relating to the proposed project, is at least 60 percent of the total grant amount provided by the State and the district's matching share, less site acquisition costs and the High Performance Base Incentive Grant. This cost estimate does not include site acquisition, planning, tests, inspection, or furniture and equipment and is available at the district for review by the OPSC.
- If the request is for a Modernization or Charter School Facilities Program Rehabilitation Grant, I have developed a cost estimate of the proposed project which indicates that the estimated construction cost of the work in the P&S, including deferred items and interim housing (if any) relating to the proposed project, is at least 60 percent of the total grant amount provided by the State and the district's matching share, less the High Performance Base Incentive Grant. This cost estimate does not include planning, tests, inspection or furniture and equipment and is available at the district for review by the OPSC.

24. Certification

I certify, as the District Representative, that the information reported on this form, with the exception of items 22 and 23, is true and correct and that:

- I am an authorized representative of the district as authorized by the governing board of the district; and,
- A resolution or other appropriate documentation supporting this application under Chapter 12.5, Part 10, Division 1, commencing with Section 17070.10, et. seq., of the Education Code was adopted by the school district's governing board or the designee of the Superintendent of Public Instruction on, _____; and,

APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM

SAB 50-04 (REV 05/14/04/15)

Page 9 of 10

- The district has established a "Restricted Maintenance Account" for exclusive purpose of providing ongoing and major maintenance of school buildings and has developed an ongoing and major maintenance plan that complies with and is implemented under the provisions of Education Code Section 17070.75 and 17070.77 (refer to Sections 1859.100 through 1859.102); and,
- Pursuant to Education Code Section 17070.755, the district has made a priority of the funds in the restricted maintenance account, established pursuant to Education Code Section 17070.75, to ensure that facilities are functional and meet local hygiene standards; and,
- The district has considered the feasibility of the joint use of land and facilities with other governmental agencies in order to minimize school facility costs; and,
- If this funding request is for the modernization of portable classrooms eligible for an additional apportionment pursuant to Education Code Section 17073.15, the district certifies that (check the applicable box below):
 - 1. The state modernization funds will be used to replace the portable classrooms and permanently remove the displaced portables from the classroom use within six months of the filing of the Notice of Completion for the project; or,
 - 2. It has provided documentation to the Office of Public School Construction which indicates that modernizing the portable classrooms eligible for an additional apportionment is better use of public resources than the replacement of these facilities.
- Facilities to be modernized have not been previously modernized with Lease-Purchase Program, Proposition 1A Funds or School Facility Program state funds; and,
- Facilities to be rehabilitated under the Charter School Facilities Program previously funded with School Facility Program State funds meet the requirements of Section 1859.163.6; and,
- All contracts entered on or after November 4, 1998 for the service of any architect structural engineer or other design professional for any work under the project have been obtained pursuant to a competitive process that is consistent with the requirements of Chapter 10 (commencing with Section 4525) of Division 5, of Title 1, of the Government Code; and,
- If this request is for new construction funding, the district has received approval of the site and the plans from the CDE. Plan approval is not required if request is for separate design apportionment; and,
- If this request is for modernization or Charter School Facilities Program Rehabilitation funding, the district has received approval of the plans for the project from the CDE. Plan approval is not required if request is for separate design apportionment; and,
- The district has or will comply with the Public Contract Code regarding all laws governing the use of force account labor; and,
- This district has or will comply with Education Code Section 17076.11 regarding at least a 3 percent expenditure goal for disabled veteran business enterprises; and,
- The district matching funds required pursuant to Sections 1859.77.1 or 1859.79 has either been expended by the district, deposited in the County School Facility Fund or will be expended by the district prior to the notice of completion for the project; and,
- The district has received the necessary approval of the plans and specifications from the Division of the State Architect unless the request is for a separate site and/or design apportionment; and,
- If the district is requesting site acquisition funds as part of this application, the district has complied with Sections 1859.74 through 1859.75.1 as appropriate; and,
- With the exception of an apportionment made pursuant to Section 1859.75.1, the district understands that the lack of substantial progress toward increasing the pupil capacity or renovation of its facilities within 18 months of receipt of any funding shall be cause for the rescission of the unexpended funds (refer to Section 1859.105); and,
- If the apportionment for this project was made pursuant to Section 1859.75.1, the district understands that the lack of substantial progress toward increasing the pupil capacity or renovation of its facilities within 12 months of receipt of any funding shall be cause for the rescission of the unexpended funds (refer to Section 1859.105.1); and,
- The district understands that funds not released within 18 months of apportionment shall be rescinded and the application shall be denied (refer to Section 1859.90); and,
- The statements set forth in this application and supporting documents are true and correct to the best of my knowledge and belief; and,
- All school facilities purchased or newly constructed under the project for use by pupils who are individuals with exceptional needs, as defined in Education Code Section 56026, shall be designed and located on the school site so as to maximize interaction between those individuals with exceptional needs and other pupils as appropriate to the needs of both; and,
- This form is an exact duplicate (verbatim) of the form provided by the OPSC. In the event a conflict should exist, the language in the OPSC form will prevail; and,
- The district understands that some or all of the State funding for the project must be returned to the State as a result of an audit pursuant to Sections 1859.105, 1859.105.1, 1859.106; and,
- The district has complied with the provisions of Sections 1859.76 and 1859.79.2 and that the portion of the project funded by the State does not contain work specifically prohibited in those Sections; and,
- If the SFP grants will be used for the construction or modernization of school facilities on leased land, the district has entered into a lease agreement for the leased property that meets the requirements of Section 1859.22; and,
- If the application contains a "Use of New Construction Grant" request, the district has adopted a school board resolution and housing plan at a public hearing at a regularly scheduled meeting of the governing board on _____ as specified in Sections 1859.77.2, or 1859.77.3, as appropriate. The district's approved housing plan is as indicated (check all that apply):
 - 1. The district will construct or acquire facilities for housing the pupils with funding not otherwise available to the SFP as a district match within five years of project approval by the SAB and the district must identify the source of the funds. [Applicable for Sections 1859.77.2(a) and (b) and 1859.77.3(a) and (b)]
 - 2. The district will utilize higher district loading standards providing the loading standards are within the approved district's teacher contract and do not exceed 33:1 per classroom. [Applicable for Sections 1859.77.2(a) and (b) and 1859.77.3(a) and (b)]
 - 3. The pupils requested from a different grade level will be housed in classrooms at an existing school in the district which will have its grade level changed, to the grade level requested, at the completion of the proposed SFP project. [Applicable for Sections 1859.77.2(b) and 1859.77.3(b)]
- If the district requested additional funding for fire code requirements pursuant to Sections 1859.71.2 or 1859.78.4, the district will include the automatic fire detection/alarm system and/or automatic sprinkler system in the project prior to completion of the project; and,

**APPLICATION FOR FUNDING
SCHOOL FACILITY PROGRAM**

- The district has consulted with the career technical advisory committee established pursuant to Education Code Section 8070 and the need for vocational and career technical facilities is being adequately met in accordance with Education Code Sections 51224, 51225.3(b), and 51228(b), and 52336.1; and,
- If the district is requesting an Additional Grant for Energy Efficiency pursuant to Sections 1859.71.3 or 1859.78.5, the increased costs for the energy efficiency components in the project exceeds the amount of funding otherwise available to the district; and,
- If this application is submitted after January 1, 2004 for modernization funding, the district has considered the potential for the presence of lead-containing materials in the modernization project and will follow all relevant federal, state, and local standards for the management of any identified lead; and,
- The district has initiated and enforced an LCP that has been approved by the DIR, pursuant to Labor Code Section 1771.7, if the project is funded from Propositions 47 or 55 and the Notice to Proceed for the construction phase of the project is issued on or after April 1, 2003 and before January 1, 2012; and,
- The district will contract or has contracted with the DIR for prevailing wage monitoring and enforcement pursuant to Labor Code Section 1771.3(a), if the construction contract is awarded on or after January 1, 2012 and the district has not obtained a waiver for the requirement, pursuant to Labor Code Section 1771.3(b). The district understands that if it fails to meet this requirement, it will be required to repay all state bond funds received including interest; and,
- Beginning with the 2005/2006 fiscal year, the district has complied with Education Code Section 17070.75(e) by establishing a facilities inspection system to ensure that each of its schools is maintained in good repair; and,
- If this application is submitted pursuant to Section 1859.180, the district certifies that within six months of occupancy of the permanent classrooms, it will remove the replaced portables from the eligible school site and K-12 grade classroom use with the exception of schools described in Education Code Section 17079.30(c); and,
- The district has considered the feasibility of using designs and materials for the new construction or modernization project that promote the efficient use of energy and water, maximum use of natural light and indoor air quality, the use of recycled materials and materials that emit a minimum of toxic substances, the use of acoustics conducive to teaching and learning, and the other characteristics of high performance schools; and
- If the district is requesting an additional grant for high performance incentive funding, the school district governing board must have a resolution on file that demonstrates support for the high performance incentive grant request and the intent to incorporate high performance features in future facilities projects; and,
- If this application is submitted when there is Insufficient Bond Authority, the district has adopted a school board resolution pursuant to Section 1859.95.1; and,
- The district will comply with all laws pertaining to the construction or modernization of its school building.

APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM

SAB 50-04 (REV 05/14/04/15)

GENERAL INFORMATION

If this application is submitted when there is Insufficient Bond Authority, as defined in Regulation Section 1859.2, the School District must adopt and submit a school board resolution, pursuant to Regulation Section 1859.95.1. For information regarding remaining bond authority, contact the Office of Public School Construction (OPSC) prior to submittal of this application.

Once the Board has determined or adjusted the district's eligibility for either new construction or modernization funding, the district may file an application for funding by use of this form. The Board will only provide new construction funding if this form is submitted prior to the date of occupancy of any classrooms included in the construction contract. If the district has a pending reorganization election that will result in the loss of eligibility for the proposed project, the district may not file an application for funding until the Board has adjusted the district's new construction baseline eligibility as required in Section 1859.51. This may be accomplished by completion of Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03.

For purposes of Education Code Section 17073.25, the California Department of Education (CDE) is permitted to file modernization applications on behalf of the California Schools for the Deaf and Blind.

Requests for funding may be made as follows:

1. A separate apportionment for site acquisition for a new construction project for environmental hardship pursuant to Section 1859.75.1. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Contingent site approval letter from the CDE.
 - Preliminary appraisal of property.
 - Approval letter from the Department of Toxic Substances Control.
2. A separate apportionment for site acquisition and/or design costs for a new construction project pursuant to Section 1859.81.1. This apportionment is available only to districts that meet the financial hardship criteria in Section 1859.81. Districts may apply for a separate apportionment for the design and for site acquisition on the same project. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Contingent site approval letter from the CDE (site apportionment only).
 - Preliminary appraisal of property (site apportionment only).
3. A separate apportionment for district-owned site acquisition cost pursuant to Section 1859.81.2. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Site approval letter from the CDE.
 - Appraisal of district-owned site.
 - Cost benefit analysis as prescribed in Section 1859.74.6 or a copy of the Board finding that the non-school function on the district-owned site must be relocated.
4. A separate apportionment for design cost for a modernization project pursuant to Section 1859.81.1. This apportionment is available only to districts that meet the financial hardship criteria in Section 1859.81. For purposes of this apportionment, the Form SAB 50-03 must accompany this form (if not previously submitted).
5. A New Construction Adjusted Grant pursuant to Section 1859.70 or 1859.180. If the funding request includes site acquisition, the proposed site must either be owned by the district, in escrow, or the district has filed condemnation proceedings and received an order of possession of the site. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03 (if not previously submitted).
 - Site/plan approval letter from the CDE.
 - Appraisal of property if requesting site acquisition funds.
 - Plans and specifications (P&S) for the project that were approved by the DSA. Submittal of plans may be on CD-ROM or "Zip Drive" readable in AutoCAD 14. The specifications may be provided on a diskette that is IBM compatible.
 - Cost estimate of proposed site development, if requesting site development funding.
 - If this request is pursuant to Section 1859.77.2 and the district's housing plan is other than those listed in the certification section of this form, a copy of the school board resolution and the approved housing plan.
 - If the site apportionment is requested pursuant to Regulation Section 1859.74.5, a cost benefit analysis as prescribed in Regulation Section 1859.74.6 or a copy of the Board finding that the non-school function on the district-owned site must be relocated.
 - If this request is fully or partially based on eligibility derived from an Alternative Enrollment Projection, a justification of how the project relieves overcrowding, including but not limited to, the elimination of the use of Concept 6 calendars, four track year-round calendars, or bussing in excess of 40 minutes.
 - Written confirmation from the district's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the district consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.
6. For purposes of the Overcrowding Relief Grant (ORG), districts must submit the Overcrowding Relief Grant District-Wide Eligibility Determination (Form SAB 50-11) prior to the submittal of this funding application. In addition, districts must have had the CDE deem the site eligible for the ORG (pursuant to Section 1859.181) prior to the submittal of this application. For purposes of this apportionment, the following documents must be submitted with this form as well as the documents listed in section 5 above:
 - Overcrowding Relief Grant Eligibility Determination Form approved by the CDE.
 - Copies of the supporting documentation provided to the CDE when determining the density of the site, including the site diagram.

The district is not required to submit its current CBEDS enrollment data.
7. Modernization Adjusted Grant pursuant to Section 1859.70. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
 - Form SAB 50-03 (if not previously submitted).
 - P&S for the project that were approved by the DSA.
 - If the request includes funding for accessibility and fire code requirement pursuant to Section 1859.83(f), the DSA approved list of the minimum accessibility work required and a detailed cost estimate for the work in the plans.
 - DSA approval letter for elevator to meet handicapped compliance, if funding is requested.

APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM

SAB 50-04 (REV 05/14/04/15)

- Cost estimate of the proposed site development necessary for the Reconfiguration of an existing high school.
 - Plan approval letter from the CDE.
 - Districtwide enrollment data on Form SAB 50-01 when requesting project assistance (if not previously submitted).
 - If the request includes funding for 50 year old permanent buildings pursuant to Section 1859.78.6, a site diagram identifying all buildings to be modernized in the project. The diagram must specify those buildings that are at least 50 years old.
 - Written confirmation from the district's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the district consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.
8. Final Charter School Apportionment for Charter School Facilities Rehabilitation pursuant to Section 1859.167.1. For purposes of this apportionment, the following documents must be submitted with this form (as appropriate):
- P&S for the project that were approved by DSA.
 - If the request includes funding for accessibility and fire code requirement pursuant to Section 1859.167.3(d), the DSA approved list of the minimum accessibility work required and a detailed cost estimate for the work in the plans.
 - DSA approval letter for elevator to meet handicapped compliance, if funding is requested.
 - High performance incentive (HPI) scorecard from DSA.
 - Plan approval letter from the CDE.
 - Construction cost estimate signed by the architect of record or design professional.
 - Determination of financial soundness from the California School Finance Authority (CSFA).
 - Written confirmation from the applicant's career technical advisory committee indicating that the need for vocational and career technical facilities is being adequately met within the district consistent with Education Code Sections 51224, 51225.3(b), 51228(b), and 52336.1.

Prior to acceptance of an application for funding that includes a financial hardship request:

- If the application is submitted pursuant to Section 1859.81, the district must have its financial hardship status "pre-approved" by the OPSC. To apply for a financial hardship "pre-approval", consult the OPSC Web site at www.dgs.ca.gov/opsc.
- If the application is submitted when there is Insufficient Bond Authority, as defined in Section 1859.2, the district must adopt a school board resolution pursuant to Section 1859.95.1(b).

If the district is requesting New Construction funding after the initial baseline eligibility was approved by the Board and the district's current CBEDS enrollment reporting year is later than the enrollment reporting year used to determine the district's baseline eligibility or adjusted eligibility, the district must complete a new Form SAB 50-01 based on the current year CBEDS enrollment data, and submit it to the OPSC with this form. In addition, if the district's request is fully or partially based on eligibility derived from an Alternative Enrollment Projection, the district must update the Alternative Enrollment Projection to correspond with the CBEDS enrollment data for the current year. A small district with 2,500 or less enrollment as defined in Section 1859.2 will not have its eligibility reduced for a period of three years from the date the district's baseline eligibility was approved by the Board as a result of reduction in projected enrollment.

For a list of the documents that must be submitted in order for the OPSC to deem a funding request for new construction or modernization complete and ready for OPSC processing, consult the SFP handbook and other information located on the OPSC Web site at www.dgs.ca.gov/opsc.

For purposes of completing this form for a Final Charter School Apportionment, a charter school shall be treated as a school district.

SPECIFIC INSTRUCTIONS

The district must assign a Project Tracking Number (PTN) to this project. The same PTN is used by the OPSC, the DSA and the CDE for all project applications submitted to those agencies to track a particular project through the entire state application review process. If the district has already assigned a PTN to this project by prior submittal of the P&S to either the DSA or the CDE for approval, use that PTN for this application submittal. If no PTN has been previously assigned for this project, a PTN may be obtained from the OPSC Web site at www.dgs.ca.gov/opsc "PT Number Generator."

1. Type of Application

Check the appropriate box that indicates the type of School Facility Program (SFP) grant the district is requesting for purposes of new construction, modernization, a separate design and/or site apportionment, site apportionment as an environmental hardship or New Construction (Final Apportionment). If the application is for the modernization of school facilities and includes facilities that are eligible for an additional apportionment pursuant to Section 1859.78.8, include a site diagram with this application that specifies the age of each facility eligible for modernization. The diagram should also indicate the date of its original DSA plan approval and the date the facility received its prior modernization apportionment. If known include the project modernization number on the diagram. If the application is for modernization of a California School for the Deaf or Blind, the CDE shall check the box identified as Modernization of California Schools for the Deaf/Blind. If the request is for a separate design apportionment, the CDE shall check the appropriate box. If the eligibility for this project was established as a result of the need for new or replacement facilities pursuant to Section 1859.82 (a) and (b), seismic replacement or seismic rehabilitation for the Most Vulnerable Category 2 Buildings, or rehabilitation pursuant to Section 1859.83 (e), check the appropriate box(es).

If this request is for an addition to an existing site and advance funding for the evaluation and RA costs, check the appropriate box and refer to Section 1859.74.4.

If this request is for an Overcrowding Relief Grant, check the New Construction (Overcrowding Relief Grant) box.

If this request is to convert a Preliminary Apportionment or a Preliminary Charter School Apportionment to a Final Apportionment, check the New Construction Final Apportionment, New Construction Final Charter School Apportionment or the Rehabilitation Final Charter School Apportionment box, as appropriate.

If the district is requesting a separate site and/or design apportionment, complete boxes 2a, 3, 4, the site acquisition data in box 5 (d and e), and boxes 13, 14, 15, 16, and 24 only.

2. Type of Project

- a. Select the type of project that best represents this application request and enter the total number of pupils assigned to the project for each grade group. Include pupils to be housed in a new or replacement school authorized by Section 1859.82 (a). The amount entered cannot exceed the district's baseline eligibility determined on Form SAB 50-03 and will be the basis for the amount of the new construction or modernization grants provided for the project.

If this request is for a Final Apportionment, the pupils assigned to the project must be at least 75 percent, but not more than 100 percent, of the pupils that received the Preliminary Apportionment. Refer to Section 1859.147.

For ORG projects, the amount entered cannot exceed the Overcrowding Relief Pupil Eligibility (pursuant to Section 1859.182 and 1859.183) as reflected in the total number of eligible pupils determined by the Form SAB 50-11 or the CDE Overcrowding Relief Grant Eligibility Determination form.

For Charter School Facilities Program Rehabilitation, leave the number of pupils blank.

- b. Check the box if the project is eligible for funding for 50 year or older permanent buildings and report, at the option of the district:
- The total number of eligible classrooms or the total eligible square footage building area at the site. Refer to Section 1859.78.6(b)(1)(A) or (b)(2)(A).
 - The total number of permanent classrooms or the total permanent square footage building area that is at least 50 years old and not been previously modernized with state funds. Refer to Section 1859.78.6(b)(1)(B) or (b)(2)(B).
 - Enter the greater percentage as calculated under Regulation Section 1859.78.6(b)(1)(C) or Regulation Section 1859.78.6(b)(2)(C).
 - If this project includes eligible 50 year or older pupil grants, enter the appropriate number assigned to the project for each grade group. The number of pupils entered cannot exceed the cumulative number of 50 year or older permanent buildings pupil grants requested for all modernization funding applications for the site as determined by using the percentage factor above.
- c. If this request includes pupil grants generated by an Alternative Enrollment Projection Method, enter the number of pupils by grade level.
- d. Indicate if this request is for funding of a 6–8 school and/or an Alternative Education School.
- e. Check the applicable box if the district is requesting additional pupil grants assigned to the project that exceed the capacity of the project or if the pupils assigned represent eligibility determined at another grade level and check the appropriate box to indicate under which regulation the district is applying. The pupil capacity of the project may be determined by multiplying the classrooms reported in box 3 by 25 for K–6; 27 for 7–8, 9–12 grades; 13 for non-severe and 9 for severe.
- f. If the request is for replacement facilities pursuant to Section 1859.82 (a) or (b) on the same site, check the facility hardship box.
- g. Enter the square footage of the non-toilet area and toilet area contained in the Charter School Facilities Program Rehabilitation project.
- h. Indicate the site scenario that best represents the project request.
- i. For ORG projects, the district must provide the following information in the space provided:
- Name of the eligible school site(s) where portables will be replaced in this project
 - Number of portables being replaced at each school site
 - Number of site specific eligible pupils being requested for this project for each school site. The total number of site specific eligible pupils assigned to this project must equal the total number of pupils in Section 2a.

3. Number of Classrooms

Enter the:

- Number of classrooms as shown on the plans and specifications (P&S). If there was demolition at the site, report the net increase in the number of classrooms showing in the P&S.
- Master plan site size, as recommended by the California Department of Education.
- Recommended site size, as determined by the California Department of Education.
- Existing Useable Acres already owned at that location (if any).
- Proposed Useable Acres that was/will be purchased as part of the application (if any).

4. Financial Hardship Request

Check the appropriate box(es) if the district is requesting financial hardship assistance because it is unable to meet its matching share requirement.

- If the district is submitting this form pursuant to Section 1859.81, the district must have received a pre-approval for financial hardship status by the OPSC. Consult the OPSC Web site at www.dgs.ca.gov/opsc for details and necessary documentation needed in order to determine eligibility.
- If there is Insufficient Bond Authority for the type of application, check the second box and attach a school board resolution pursuant to Section 1859.95.1(b).

5. New Construction Additional Grant Request

Check the appropriate box(es) if the district requests an augmentation to the new construction grant for "additional" grants for the items listed or for replacement facilities pursuant to Section 1859.82(a) and (b). Refer to Sections 1859.72 through 1859.76 and 1859.82(a) and (b) for eligibility criteria. Enter the:

- a. Therapy area in square feet as provided in Section 1859.72.
- b. Multilevel classrooms in the P&S pursuant to Section 1859.73.
- c. Check the box if the district is requesting project assistance pursuant to Section 1859.73.1. If the district has not submitted a request for new construction baseline eligibility on a district-wide basis, it must submit a current Form SAB 50-01 based on district-wide enrollment data with this form.
- d. If the project the district is requesting SFP funding for does not require an RA, refer to Section 1859.74. If a RA is required on a site that is not leased or an addition to an existing site, refer to Section 1859.74.2. If RAs are required on a leased site or an addition to an existing site, refer to Sections 1859.74.3 or 1859.74.4, respectively. The limitation of 50 percent may be exceeded when unforeseen circumstances exist, the CDE determines that the site is the best available site, and substantiation that the costs are the minimum required to complete the evaluation and RA.
 - 1) Enter 50 percent of the actual cost.
 - 2) Enter 50 percent of the appraised value of the site. If the request is made pursuant to Regulation Section 1859.74.5, enter 50 percent of the appraised value.
 - 3) Enter 50 percent of the allowable relocation cost.
 - 4) Enter two percent of the lesser of the actual cost or appraised value of the site (minimum \$25,000).
 - 5) Enter 50 percent of the Department of Toxic Substances Control (DTSC) fee for review and approval of the phase one environmental site assessment and preliminary endangerment assessment reports. Refer to Sections 1859.74, 1859.74.1, 1859.74.5, 1859.75, 1859.75.1 and 1859.81.1.

A project that received site acquisition funds under the Lease-Purchase Program (LPP) as a priority two project is not eligible for site acquisition funds under the SFP. A district-owned site acquired with LPP, SFP or Proposition 1A funds is not eligible for funding under Regulation Section 1859.74.5.

- e. Enter 50 percent of the amount allowable for hazardous materials/waste removal and/or remediation for the site acquired pursuant to Sections 1859.74.2, 1859.74.3, 1859.74.4, 1859.75.1 or 1859.81.1. If an RA is required, check the box.
- f. Enter 50 percent of eligible service-site development, off-site development including pedestrian safety paths and utilities costs allowed pursuant to Section 1859.76. Attach cost estimates of the proposed site development work which shall be supported and justified in the P&S. All cost estimates shall reflect 100 percent of the proposed work.

Check the box if the district is requesting an Additional Grant for General Site Development pursuant to Section 1859.76

- g. If the district is requesting replacement facilities on the same site, (including seismic replacement), enter the square footage requested as provided in Section 1859.82(a) or (b).
- h. If the request for seismic rehabilitation does not exceed 50 percent of the current replacement cost of the classroom or related facility, report 50 percent of the health/safety seismic mitigation cost and the ancillary costs as authorized by Section 1859.82(a).
- i. Enter the square feet of eligible replacement area as provided by Section 1859.73.2.
- j. If the district is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.71.3, enter the percentage of energy efficiency that exceeds Title 24 requirements as prescribed in Section 1859.71.3(a)(3).
- k. Check the box(es) if the district requests and the project qualifies for additional funding for fire code requirements authorized in Section 1859.71.2.
- l. If the district is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.70.4, enter the number of high performance points as prescribed in Section 1859.71.6 or 1859.77.4, as appropriate.

6. Modernization Additional Grant Request

- a. Check the box if the district is requesting project assistance allowance pursuant to Section 1859.78.2. If the district has not submitted a request for new construction baseline eligibility on a district-wide basis, it must submit a current Form SAB 50-01 based on district-wide enrollment data with this form.
- b. If the district is requesting an Additional Grant for Energy Efficiency pursuant to Section 1859.78.5, enter the percentage of energy efficiency that exceeds Title 24 requirements as prescribed in Section 1859.78.5(a)(3).
- c. Check the box if the district requests an additional grant for site development utility cost necessary for the modernization of 50 years or older permanent building(s). Enter 60 percent of the eligible costs allowable pursuant to Section 1859.78.7(a).
- d. Check the box(es) if the district requests and the project qualifies for additional funding for fire code requirements authorized in Section 1859.78.4.
- e. If the district is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.70.4, enter the number of high performance points as prescribed in Section 1859.77.4.

7. Excessive Cost Hardship Request

Check the appropriate box to request an augmentation to the New Construction or Modernization Grants for an excessive cost hardship for the items listed. Refer to Section 1859.83 for eligibility criteria. Requests for excessive cost grants for accessibility requirements are allowed only if required by the Division of the State Architect (DSA). At the district's option, the district may request three percent of the modernization base grant or enter 60 percent of the amount calculated pursuant to Regulation Section 1859.83(f). Attach a copy of the DSA approved list that shows the minimum work necessary for accessibility requirements.

If the request is for the excessive cost grant for a new Alternative Education school pursuant to Section 1859.83(c)(2) and the district wishes to request less than the maximum allowance, please submit a letter along with application indicating the desired amount.

If the request is for rehabilitation mitigation, report 80 percent or 60 percent (as appropriate) of health/safety rehabilitation mitigation cost for a modernization project as authorized by Section 1859.83(e).

8. Charter School Facilities Program Rehabilitation – Additional Grant and Excessive Cost Hardship Request

Additional Grant Request

- a. If the applicant is requesting an Additional Grant for High Performance Incentive pursuant to Section 1859.77.4, enter the number of high performance points as prescribed in Section 1859.77.4.

Excessive Cost Hardship Request

Check the appropriate box to request an augmentation to the Charter School Facilities Program Rehabilitation grants for an excessive cost hardship for the items listed. Refer to Section 1859.167.4 for eligibility criteria.

- b. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to Geographic Location pursuant to Section 1859.167.3(a).
- c. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant for a small size project pursuant to Section 1859.167.3(b).
- d. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to Urban Location, Security Requirements, and Impacted Site pursuant to Section 1859.167.3(c).
- e. Check the box if the applicant requests and qualifies for an Excessive Cost Hardship Grant due to accessibility and fire code requirements pursuant to Section 1859.167.3(d). Requests for excessive cost grants for accessibility requirements are allowed only if required by the Division of the State Architect (DSA). At the applicant's option, the applicant may request three percent of the Charter School Facilities Program Rehabilitation Grant or enter 50 percent of the amount calculated pursuant to Regulation Section 1859.167.3(d)(2). Attach a copy of the DSA approved list that shows the minimum work necessary for accessibility requirements.

9. Project Priority Funding Order

Enter the priority order of this project in relation to other new construction applications submitted by the district on the same date. If applications are not received on the same date, the OPSC will assign a higher district priority to the application received first. Check the box(es) if the project meets the criteria outlined in Section 1859.92(c)(3),(4) and (6), as appropriate. This information is needed for purposes of priority points.

10. Prior Approval Under the LPP

If the project the district is requesting SFP grants for received a Phase P, S, or C approval under the LPP, report the application number of that project, regardless if the project actually received funding or was included on an "unfunded" list. Failure to report this information may delay the processing of the application by the OPSC.

11. Prior Apportionment Under the SFP

If the project received a separate apportionment under the SFP for either site and/or design, or site environmental hardship, enter the application number of the project. Failure to report this information may delay the processing of the application by the OPSC.

12. Preliminary Apportionment to a Final Apportionment

If this request is to convert a Preliminary Apportionment to a Final Apportionment, enter the application number of the Preliminary Apportionment. Failure to report this information may delay the processing of the application by the OPSC.

13. Alternative Developer Fee

The district must report certain alternative fees collected pursuant to Government Code Section 65995.7, as of the date of application submittal to the OPSC. Refer to Section 1859.77 for details. Districts are advised that the OPSC may perform an audit of the developer fees collected prior to application approval by the Board.

14. Adjustment to New Construction Baseline Eligibility

Pursuant to Section 1859.51 certain adjustments to the district's new construction baseline eligibility must be made each time a district submits Form SAB 50-04, to the OPSC for SFP new construction or modernization grants. These adjustments are made by the OPSC based on information reported by the district on this form.

- a. Report all classroom(s) provided after the district submitted its request for determination of its new construction baseline eligibility for the grades shown, or indicate N/A if there are none. Refer to Section 1859.51(i).

In the additional classroom column, indicate the number of additional net classrooms provided if not previously reported.

In the replacement classroom column, indicate the number of classrooms that were included in the determination of the district's new construction eligibility pursuant to Education Code Section 17071.75 but replaced in a locally funded project.

Enter the date the initial construction contract was signed for additional or replacement classrooms.

15. Pending Reorganization Election

Complete only for new construction projects. Indicate if there is a pending reorganization election that will result in a loss of eligibility for this project. If the answer is "yes", the district must complete Form SAB 50-01, Form SAB 50-02 and Form SAB 50-03, to adjust the district's new construction baseline eligibility as a result of the reorganization and submit them with this form.

16. Joint-Use Facility/Leased Property

Check the box if:

- The facilities to be constructed/modernized as part of this project will be for joint use by other governmental agencies.
- The new construction or modernization grants will be used for facilities located or to be located on leased property.

17. Project Progress Dates

- Enter the date(s) the construction contract(s) was awarded for this project(s). If a construction contract has not been executed, enter N/A. (If the space provided is not sufficient for all applicable contract dates, please list all dates on a separate attachment to this form.)
- Enter the issue date(s) for the Notice to Proceed for the construction phase of the project, or enter N/A if a Notice to Proceed has not been issued.
- If a construction contract was awarded prior to January 1, 2012, check the appropriate box to indicate whether or not the district has initiated and enforced a Labor Compliance Program (LCP) approved by the Department of Industrial Relations (DIR) pursuant to Labor Code Section 1771.7 for this project.

18. Prevailing Wage Monitoring and Enforcement Costs

If the construction contract for this project was or will be awarded on or after January 1, 2012, check the appropriate box to indicate which of the following methods will be used to meet the requirement for prevailing wage monitoring and enforcement pursuant to Labor Code Section 1771.3:

- The DIR Compliance Monitoring Unit (CMU)
- A DIR-approved internal LCP
- A collective bargaining agreement that meets the criteria set forth in Labor Code Section 1771.3(b)(3).

19. Construction Delivery Method

Check the box that best represents the construction delivery method that the district has or will use for this project, if known.

20. Career Technical Education Funds Request

Indicate if Career Technical Education (CTE) funds will be requested for classroom(s) included in the plans and specifications for this project pursuant to Section 1859.193. If "Yes", enter the number of CTE classroom(s) shown on the P&S.

21. Overcrowding Relief Grant Narrative

The district must either provide an explanation in the space provided or attach a letter signed by the district representative detailing how this project will relieve overcrowding.

22. Architect of Record or Licensed Architect Certification

The architect of record or the licensed architect must complete this section.

23. Architect of Record or Design Professional Certification

The architect of record or the appropriate design professional must complete this section.

24. Certification

The district representative must complete this section. For additional information regarding district certifications, refer to the SFP handbook located on the OPSC web site at www.dgs.ca.gov/opsc.

23. Architect of Record or Design Professional Certification

I certify as the architect of record for the project or the appropriate design professional, that:

- If the request is for a New Construction Grant, not including the ORG, I have developed a cost estimate of the proposed project which indicates that the estimated construction cost of the work in the P&S including deferred items (if any) relating to the proposed project, is at least 60 percent of the total grant amount provided by the State and the district's matching share, less site acquisition costs and the High Performance Base Incentive Grant. This cost estimate does not include site acquisition, planning, tests, inspection, or furniture and equipment and is available at the district for review by the OPSC.
- If the request is for a Modernization or Charter School Facilities Program Rehabilitation Grant, I have developed a cost estimate of the proposed project which indicates that the estimated construction cost of the work in the P&S, including deferred items and interim housing (if any) relating to the proposed project, is at least 60 percent of the total grant amount provided by the State and the district's matching share, less the High Performance Base Incentive Grant. This cost estimate does not include planning, tests, inspection or furniture and equipment and is available at the district for review by the OPSC.

24. Certification

I certify, as the District Representative, that the information reported on this form, with the exception of items 22 and 23, is true and correct and that:

- I am an authorized representative of the district as authorized by the governing board of the district; and,
- A resolution or other appropriate documentation supporting this application under Chapter 12.5, Part 10, Division 1, commencing with Section 17070.10, et. seq., of the Education Code was adopted by the school district's governing board or the designee of the Superintendent of Public Instruction on, _____; and,

APPLICATION FOR FUNDING SCHOOL FACILITY PROGRAM

SAB 50-04 (REV 05/14/04/15)

- The district has established a "Restricted Maintenance Account" for exclusive purpose of providing ongoing and major maintenance of school buildings and has developed an ongoing and major maintenance plan that complies with and is implemented under the provisions of Education Code Section 17070.75 and 17070.77 (refer to Sections 1859.100 through 1859.102); and,
- Pursuant to Education Code Section 17070.755, the district has made a priority of the funds in the restricted maintenance account, established pursuant to Education Code Section 17070.75, to ensure that facilities are functional and meet local hygiene standards; and,
- The district has considered the feasibility of the joint use of land and facilities with other governmental agencies in order to minimize school facility costs; and,
- If this funding request is for the modernization of portable classrooms eligible for an additional apportionment pursuant to Education Code Section 17073.15, the district certifies that (check the applicable box below):
 - 1. The state modernization funds will be used to replace the portable classrooms and permanently remove the displaced portables from the classroom use within six months of the filing of the Notice of Completion for the project; or,
 - 2. It has provided documentation to the Office of Public School Construction which indicates that modernizing the portable classrooms eligible for an additional apportionment is better use of public resources than the replacement of these facilities.
- Facilities to be modernized have not been previously modernized with Lease-Purchase Program, Proposition 1A Funds or School Facility Program state funds; and,
- Facilities to be rehabilitated under the Charter School Facilities Program previously funded with School Facility Program State funds meet the requirements of Section 1859.163.6; and,
- All contracts entered on or after November 4, 1998 for the service of any architect structural engineer or other design professional for any work under the project have been obtained pursuant to a competitive process that is consistent with the requirements of Chapter 10 (commencing with Section 4525) of Division 5, of Title 1, of the Government Code; and,
- If this request is for new construction funding, the district has received approval of the site and the plans from the CDE. Plan approval is not required if request is for separate design apportionment; and,
- If this request is for modernization or Charter School Facilities Program Rehabilitation funding, the district has received approval of the plans for the project from the CDE. Plan approval is not required if request is for separate design apportionment; and,
- The district has or will comply with the Public Contract Code regarding all laws governing the use of force account labor; and,
- This district has or will comply with Education Code Section 17076.11 regarding at least a 3 percent expenditure goal for disabled veteran business enterprises; and,
- The district matching funds required pursuant to Sections 1859.77.1 or 1859.79 has either been expended by the district, deposited in the County School Facility Fund or will be expended by the district prior to the notice of completion for the project; and,
- The district has received the necessary approval of the plans and specifications from the Division of the State Architect unless the request is for a separate site and/or design apportionment; and,
- If the district is requesting site acquisition funds as part of this application, the district has complied with Sections 1859.74 through 1859.75.1 as appropriate; and,
- With the exception of an apportionment made pursuant to Section 1859.75.1, the district understands that the lack of substantial progress toward increasing the pupil capacity or renovation of its facilities within 18 months of receipt of any funding shall be cause for the rescission of the unexpended funds (refer to Section 1859.105); and,
- If the apportionment for this project was made pursuant to Section 1859.75.1, the district understands that the lack of substantial progress toward increasing the pupil capacity or renovation of its facilities within 12 months of receipt of any funding shall be cause for the rescission of the unexpended funds (refer to Section 1859.105.1); and,
- The district understands that funds not released within 18 months of apportionment shall be rescinded and the application shall be denied (refer to Section 1859.90); and,
- The statements set forth in this application and supporting documents are true and correct to the best of my knowledge and belief; and,
- All school facilities purchased or newly constructed under the project for use by pupils who are individuals with exceptional needs, as defined in Education Code Section 56026, shall be designed and located on the school site so as to maximize interaction between those individuals with exceptional needs and other pupils as appropriate to the needs of both; and,
- This form is an exact duplicate (verbatim) of the form provided by the OPSC. In the event a conflict should exist, the language in the OPSC form will prevail; and,
- The district understands that some or all of the State funding for the project must be returned to the State as a result of an audit pursuant to Sections 1859.105, 1859.105.1, 1859.106; and,
- The district has complied with the provisions of Sections 1859.76 and 1859.79.2 and that the portion of the project funded by the State does not contain work specifically prohibited in those Sections; and,
- If the SFP grants will be used for the construction or modernization of school facilities on leased land, the district has entered into a lease agreement for the leased property that meets the requirements of Section 1859.22; and,
- If the application contains a "Use of New Construction Grant" request, the district has adopted a school board resolution and housing plan at a public hearing at a regularly scheduled meeting of the governing board on _____ as specified in Sections 1859.77.2, or 1859.77.3, as appropriate. The district's approved housing plan is as indicated (check all that apply):
 - 1. The district will construct or acquire facilities for housing the pupils with funding not otherwise available to the SFP as a district match within five years of project approval by the SAB and the district must identify the source of the funds. [Applicable for Sections 1859.77.2(a) and (b) and 1859.77.3(a) and (b)]
 - 2. The district will utilize higher district loading standards providing the loading standards are within the approved district's teacher contract and do not exceed 33:1 per classroom. [Applicable for Sections 1859.77.2(a) and (b) and 1859.77.3(a) and (b)]
 - 3. The pupils requested from a different grade level will be housed in classrooms at an existing school in the district which will have its grade level changed, to the grade level requested, at the completion of the proposed SFP project. [Applicable for Sections 1859.77.2(b) and 1859.77.3(b)]
- If the district requested additional funding for fire code requirements pursuant to Sections 1859.71.2 or 1859.78.4, the district will include the automatic fire detection/alarm system and/or automatic sprinkler system in the project prior to completion of the project; and,

**APPLICATION FOR FUNDING
SCHOOL FACILITY PROGRAM**

- The district has consulted with the career technical advisory committee established pursuant to Education Code Section 8070 and the need for vocational and career technical facilities is being adequately met in accordance with Education Code Sections 51224, 51225.3(b), and 51228(b), and 52336.1; and,
- If the district is requesting an Additional Grant for Energy Efficiency pursuant to Sections 1859.71.3 or 1859.78.5, the increased costs for the energy efficiency components in the project exceeds the amount of funding otherwise available to the district; and,
- If this application is submitted after January 1, 2004 for modernization funding, the district has considered the potential for the presence of lead-containing materials in the modernization project and will follow all relevant federal, state, and local standards for the management of any identified lead; and,
- The district has initiated and enforced an LCP that has been approved by the DIR, pursuant to Labor Code Section 1771.7, if the project is funded from Propositions 47 or 55 and the Notice to Proceed for the construction phase of the project is issued on or after April 1, 2003 and before January 1, 2012; and,
- The district will contract or has contracted with the DIR for prevailing wage monitoring and enforcement pursuant to Labor Code Section 1771.3(a), if the construction contract is awarded on or after January 1, 2012 and the district has not obtained a waiver for the requirement, pursuant to Labor Code Section 1771.3(b). The district understands that if it fails to meet this requirement, it will be required to repay all state bond funds received including interest; and,
- Beginning with the 2005/2006 fiscal year, the district has complied with Education Code Section 17070.75(e) by establishing a facilities inspection system to ensure that each of its schools is maintained in good repair; and,
- If this application is submitted pursuant to Section 1859.180, the district certifies that within six months of occupancy of the permanent classrooms, it will remove the replaced portables from the eligible school site and K-12 grade classroom use with the exception of schools described in Education Code Section 17079.30(c); and,
- The district has considered the feasibility of using designs and materials for the new construction or modernization project that promote the efficient use of energy and water, maximum use of natural light and indoor air quality, the use of recycled materials and materials that emit a minimum of toxic substances, the use of acoustics conducive to teaching and learning, and the other characteristics of high performance schools; and,
- If the district is requesting an additional grant for high performance incentive funding, the school district governing board must have a resolution on file that demonstrates support for the high performance incentive grant request and the intent to incorporate high performance features in future facilities projects; and,
- If this application is submitted when there is Insufficient Bond Authority, the district has adopted a school board resolution pursuant to Section 1859.95.1; and,
- The district will comply with all laws pertaining to the construction or modernization of its school building.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, April 15, 2015

ANNUAL ADJUSTMENT TO SCHOOL FACILITY PROGRAM GRANTS

PURPOSE OF REPORT

To adopt the annual adjustment in the School Facility Program (SFP) grants based on the change in construction costs pursuant to the Education Code (EC) and SFP Regulations.

DESCRIPTION

This item presents the State Allocation Board (Board) with the annual adjustment to the SFP grants based on the statewide cost index for Class B construction. Each year the Board adjusts the SFP grants to reflect construction cost changes. In January 2012, the Board adopted the Marshall & Swift (M&S) Eight California Cities index for 2012 and future years. Staff is presenting three alternate index options for the adjustment to the 2015 SFP grants and proposes bringing back a future item to discuss a more permanent solution moving forward in 2016 and beyond.

AUTHORITY

For the New Construction grant, EC Section 17072.10(b) states, "The board annually shall adjust the per-unhoused-pupil apportionment to reflect construction cost changes, as set forth in the statewide cost index for class B construction as determined by the board."

EC Section 17072.11(a)(3) states, "The board shall conduct an analysis of the relationship between the per-unhoused-pupil grant eligibility determined under this article and the per-pupil cost of new school construction for elementary, middle, and high school pupils."

For Modernization funding, EC Section 17074.10(b) states, "The board shall annually adjust the factors set forth in subdivision (a) according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the board."

Government Code Section 66452.6 states:

(a)(1) An approved or conditionally approved tentative map shall expire 24 months after its approval or conditional approval, or after any additional period of time as may be prescribed by local ordinance, not to exceed an additional 12 months. However, if the subdivider is required to expend two hundred thirty-six thousand seven hundred ninety dollars (\$236,790) or more to construct, improve, or finance the construction or improvement of public improvements outside the property boundaries of the tentative map, excluding improvements of public rights-of-way which abut the boundary of the property to be subdivided and which are reasonably related to the development of that property, each filing of a final map authorized by Section 66456.1 shall extend the expiration of the approved or conditionally approved tentative map by 36 months from the date of its expiration, as provided in this section, or the date of the previously filed final map, whichever is later. The extensions shall not extend the tentative map more than 10 years from its approval or conditional approval. . . .

(2) Commencing January 1, 2012, and each calendar year thereafter, the amount of two hundred thirty-six thousand seven hundred ninety dollars (\$236,790) shall be annually increased by operation of law according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the State Allocation Board at its January meeting. The effective date of each annual adjustment shall be March 1. The adjusted amount shall apply to tentative and vesting tentative maps whose applications were received after the effective date of the adjustment.

AUTHORITY (cont.)

SFP Regulation Section 1859.71 states,

The new construction per-unhoused-pupil grant amount, as provided by Education Code Section 17072.10(a), will be adjusted annually based on the change in the Class B Construction Cost Index as approved by the Board each January. The base Class B Construction Cost Index shall be 1.30 and the first adjustment shall be January, 1999.

The new construction per-unhoused-pupil grant amount, as provided by Education Code Section 17072.10(a), may be increased by an additional amount not to exceed six percent in a fiscal year, or decreased, based on the analysis of the current cost to build schools as reported on the Project Information Worksheet (Revised 05/10) which shall be submitted with the Forms SAB 50-05 and 50-06 and as approved by the Board.

SFP Regulation Section 1859.2 Definitions states, "Class B Construction Cost Index" is a construction factor index for structures made of reinforced concrete or steel frames, concrete floors, and roofs, and accepted and used by the Board.

SFP Regulation Section 1859.78 states, "The modernization per-unhoused-pupil grant amount, as provided by Education Code Section 17074.10(a), will be adjusted annually based on the change in the Class B Construction Cost Index as approved by the Board each January."

BACKGROUND

Statute requires an annual adjustment to the per-unhoused-pupil grant amounts of the SFP based on the change in the statewide Class B Construction Cost Index (CCI) each January.

The Board has considered three indices in the past:

- M&S Eight California Cities
- M&S Ten Western States
- Sierra West Current Construction Cost Index*

The Board has made the CCI adjustments according to the M&S Eight California Cities Index every year since 2009. At its January 2012 meeting, the Board expressed a preference for the M&S Eight California Cities index as the permanent index because it is the only Class B index that uses exclusively California cities to capture material and prevailing wage costs in California. The Sierra West Current Construction Cost Index uses data from up to 20 U.S. cities nationwide, two of which (San Francisco and Los Angeles) are in California. As its title suggests, the M&S Ten Western States uses data from 10 western states.

Neither the M&S Eight California Cities nor the M&S Ten Western States indices have been made available to the Office of Public School Construction for 2015. Therefore, Staff is presenting three alternate indices as options for the Board's consideration for the 2015 CCI adjustment.

Pursuant to Government Code Section 66452.6(a)(2) as set forth above, the Board's CCI adjustment determination also changes the threshold amount of public improvement costs that triggers an extension of the expiration of tentative maps. The Board's January 2014 CCI increase of 1.74 percent raised this threshold sum to \$257,792 for the period of one year commencing March 1, 2014.

*The Sierra West Group was the prior publisher of the Lee Saylor Index through 2014.

STAFF ANALYSIS/STATEMENTS*2015 CCI Adjustment Options*

Staff is presenting the following three indices as options for the Board's consideration for the 2015 CCI adjustment:

- Sierra West Current Construction Cost Index
- Engineering News-Record (ENR)
- RS Means

All three indices appear to meet the SFP definition of a Class B Construction Cost Index. A brief description of each index appears in the Attachment.

The current rate of change between 2014 and 2015 for the three indices is included below.

Index	Sierra West Group	Engineering News-Record (ENR)	RS Means
Rate of Change 2014 to 2015	4.37% Increase	1.30% Increase	0.78% Increase

However, Staff believes that when switching indices it is more accurate to go back and re-calculate the grant amounts as if each index was used each year beginning in 1999.

The table below shows the rate of change from the 2014 SFP grant amounts to the 2015 grant amounts by entity, after re-calculating the grants using each index from 1999 forward.

Index	Sierra West Group	Engineering News-Record (ENR)	RS Means
Approximate Rate of Change Compared to 2014 Grant amounts (re-calculated from 1999 to 2015, based on K-6 grant amount)	3.24% Increase	-9.56% Decrease	4.27% Increase

*Percentage change varies slightly per grade level due to rounding.

The following chart shows the resulting new construction per pupil grant adjustment for each index available for consideration by the Board, after re-calculating from 1999 to 2015 (showing the 2014 grant amount for comparison):

Resulting New Construction Pupil Grants			Resulting Base Grants		
			Sierra West Group	ENR	RS Means
Grade Level	Regulation Section	Current Adjusted Grant Per Pupil Effective 1-1-14	Proposed Grant Per Pupil Effective 1-1-15	Proposed Grant Per Pupil Effective 1-1-15	Proposed Grant Per Pupil Effective 1-1-15
Elementary	1859.78	\$9,921	\$10,243	\$8,972	\$10,345
Middle	1859.78	\$10,491	\$10,834	\$9,490	\$10,942
High	1859.78	\$13,347	\$13,785	\$12,075	\$13,923
Special Day Class – Severe	1859.78.3	\$27,873	\$28,783	\$25,213	\$29,070
Special Day Class – Non-Severe	1859.78.3	\$18,640	\$19,250	\$16,862	\$19,442

STAFF ANALYSIS/STATEMENTS (cont.)

The following chart shows the resulting modernization per pupil grant adjustment for each index available for consideration by the Board, after re-calculating from 1999 to 2015 (showing the 2014 grant amount for a point of comparison):

Resulting Modernization Pupil Grants			Resulting Base Grants		
Grade Level	Regulation Section	Current Adjusted Grant Per Pupil Effective 1-1-14	Sierra West Group	ENR	RS Means
			Proposed Grant Per Pupil Effective 1-1-15	Proposed Grant Per Pupil Effective 1-1-15	Proposed Grant Per Pupil Effective 1-1-15
Elementary	1859.71	\$3,778	\$3,900	\$3,416	\$3,939
Middle	1859.71	\$3,996	\$4,126	\$3,614	\$4,167
High	1859.71	\$5,230	\$5,401	\$4,731	\$5,455
Special Day Class – Severe	1859.71.1	\$12,035	\$12,431	\$10,889	\$12,555
Special Day Class – Non-Severe	1859.71.1	\$8,052	\$8,316	\$7,284	\$8,399

In addition, the adopted CCI adjustment would change the threshold amount for Government Code Section 66452.6(a)(2) for the period of one year commencing March 1, 2015. The current amount is \$257,792. Depending on which index the Board adopts, the resulting threshold amount would be as follows:

	Sierra West Group	Engineering News-Record (ENR)	RS Means
Resulting Amount	\$263,257	\$252,802	\$260,473

The threshold amounts were calculated based on rate of change in each specific index from year to year, from 2012-2015

Conclusion

Staff has reviewed the three indices and recommends that the Board adopt the RS Means index for the 2015 grant adjustment for the following reasons:

- RS Means uses 12 cities in California, Sierra West and Engineering News record only include 2 California cities
- RS Means uses more construction materials when looking at costs for its index (66 instead of 23 as compared to Sierra West)

Based on the reasons above, the RS Means index is the Class B index most reflective of construction costs in California.

Next Steps

Staff also proposes presenting an item to the Board in the future to discuss adopting an index on a more permanent basis for use in 2016 and future years.

(Continued on Page Five)

RECOMMENDATIONS

1. Adopt an increase for 2015 SFP grants based on the RS Means Construction Cost Index.
2. Direct staff to return with a conforming consent item at the next Board meeting showing all SFP grants adjusted based on RS Means data.
3. Direct Staff to bring back an item to the Board for discussion on adopting a new index on a permanent basis for 2016 and beyond.
