With a quorum present, Ms. Sheehan, Chair, called the meeting to order at 2:08 p.m.

PRIOR MINUTES

A motion was made and carried to approve the Minutes for the December 8, 2004 SAB meeting. However, Senator Jack Scott, Senator Alan Lowenthal, Assembly Member Gene Mullin, and Ms. Kathleen Moore abstained from voting on the Minutes as they were not at the December 8, 2004 meeting.

The Chair, on behalf of the Board, thanked Mr. Bruce B. Hancock for his many years of service and wished him the best on his next endeavor.

EXECUTIVE OFFICER'S STATEMENT

The Deputy Executive Officer advised the Board on two items: 1) that the staff continues to work with the Clovis Unified School District and California Department of Education regarding the District's request for special consideration of its joint-use project, and anticipates reporting on the request at a future SAB meeting; 2) that the Charter School Facility Program preliminary apportionments were anticipated to be presented at the January 26, 2005 SAB meeting, but the Office of Public School Construction (OPSC) received two appeals that could directly impact the funding matrix. One of the appeals was withdrawn and staff felt it appropriate to present and resolve the one appeal at today's (January 26, 2005) meeting before the Charter School Facility Program applications for preliminary apportionments could be presented. Staff anticipates presenting the Charter School Facility Program applications for preliminary apportionments at the February 23, 2005 SAB meeting.

The Board directed staff to bring an item back regarding school districts complying with the Americans with Disabilities Act (ADA) requirements when making repairs under the Emergency Repair Program. The Board expressed interest in the limited amount of money available for school projects that will not qualify for an exception from the ADA and whether the Emergency Repair Program included an appropriation for ADA compliance.

In addition, the Board expressed interest in the California Department of Education's (CDE) Deciles 1-3 Schools List for the Williams Settlement. Specifically, the Board questioned why and how many small schools have been eliminated from the list. The Board directed the CDE to report back at the February 23, 2005 SAB meeting to discuss how the list was prepared and what the process was for eliminating schools from the list.

The Board informed staff that the fourth Wednesday in March (March 23, 2005) is during spring break for the Legislature and it was asked that the March SAB meeting be rescheduled to March 30, 2005.
