EXECUTIVE OFFICER'S STATEMENT

The Executive Officer informed the Board that the Governor has signed a number of legislative bills that affect the programs administered by the SAB. It was stated that there is a report that will be presented later on in this SAB Agenda. The Executive Officer was also pleased to announce that among the legislative bills chaptered was Senate Bill 132 that repeals the January 1, 2008 sunset date for the new construction grant increases that were provided in July 2006. This means that the seven percent increase for elementary/middle school pupils and the four percent increase for high school pupils will remain in effect.

The Executive Officer also informed the Board that later on during this public meeting, the Macias Consulting Group will be presenting an update to the Board on the development of the proposed methodology for its analysis of the costs to construct schools. The proposed methodology was previously presented in a publicly noticed open meeting on October 5th and public comments were heard at that time. Additionally, written comments were accepted through October 10th.

Lastly, with respect to the wildfires in Southern California, the Executive Officer indicated to the Board that the OPSC was developing a plan to address any short-term housing needs that may arise, and that there is approximately 60 relocatable classrooms that could be redeployed. The OPSC also contacted four manufacturers of relocatable classrooms, many of whom indicated that they could produce new units within one week if necessary. Additionally, the OPSC is being flexible and working with the impacted school districts during this time of crisis.
