California's Coalition for Adequate School Housing
Attention: Jenny Hill
1130 K Street, Suite 210
Sacramento, CA 95814

Dear Ms. Hill:

Thank you for inviting the Office of Public School Construction (OPSC) and the Division of the State Architect (DSA) to attend the Coalition for Adequate School Housing General Membership Meeting on Wednesday, April 28, 2010. However, the Department of General Services (DGS) has decided that OPSC and DSA should make their program updates available to all school districts and stakeholders directly. This new service is being provided so that interested parties, that are not able to travel to Sacramento to attend the State Allocation Board meetings due to current fiscal constraints, will have access to the information.

Beginning on Wednesday, April 28, 2010, the DGS will make the auditorium of the DGS Headquarters (the Ziggurat Building located at 707 Third Street in West Sacramento) available for the OPSC and the DSA to present program updates at 9 a.m. on the days that there is a scheduled State Allocation Board meeting. These presentations will be open to school district staff, school facility consultants, lobbyists, and other interested parties. All interested parties are encouraged to attend in person or via webcast.

We look forward to working with you and the wider community as we continue to improve facilities for California's school children. For more information, please contact Lisa Silverman at (916) 375-5959 or Kathy Hicks at (916) 445-4167.

Sincerely,

LISA SILVERMAN
