 Project Information Worksheet
 Expenditures: State and Local Contributions
 (in millions)

The chart below uses data from 980 new construction projects apportioned from January 2008 through August 2016, that were required to submit a Project Information Worksheet (PIW) at the time this data was compiled.* The data includes the state funding, required district match, and any additional district funding.

State Share Apportionment	\$5,894.6
Financial Hardship	\$689.0

* The submittal of a PIW is required at three times for a new construction project: 1) the full grant fund release; 2) the first annual expenditure report (one year following the fund release); and 3) the final expenditure report (when the project is deemed complete). This graphic does not include any apportioned project for which a fund release was not submitted when the data was compiled. The 980 projects include 168 financial hardship apportionments at the final adjusted grant funding stage.
