

School Facility Program  
New Schools vs. Additions

The charts below display data from 980 School Facility Program new construction projects apportioned from January 2008 through August 2016 and for which a Project Information Worksheet (PIW) was submitted\*. The top chart displays the number of apportioned projects by the following categories: new school, addition projects with classrooms only, and addition projects with classrooms and subsidiary facilities. The bottom chart displays the amount of state funding, \$6,584 million (excluding site acquisition) by category.

**State Funding (in millions)**

\* The submittal of a PIW is required at three times for a new construction project: 1) the full grant fund release; 2) the first annual expenditure report (one year following the fund release); and 3) the final expenditure report (when the project is deemed complete). This graphic does not include any apportioned project for which a fund release was not submitted when the data was compiled.
