

On August 31, 2012, the Santa Clara County Office of Education celebrated the grand opening of the McCollam County Annex in East San Jose.

This new facility serves 42 students enrolled in the County Office of Education's special education program for students with severe disabilities and medical challenges.

Housed on the campus of McCollam School in the Alum Rock Union School District, the McCollam Annex is 8,500 square feet, and boasts four classrooms, restroom facilities, therapy areas, and an open courtyard.

The Annex was constructed using \$4.4 million from the State Allocation Board.
