

TABLE A - Recyclable Content in Traffic Control Devices

Table A - Traffic Control Devices Manufactured from the Recycled Material					
Products Name On Caltrans QPL	Company/Telephone	Type	Manufactured With		Constructed Material
			Percentage Post Consumer	Percentage Post Industrial	
DELINEATORS					
FlexStake, Model 654 TM	Flexstake Product 1-800-348-9839	Class 1 delineators Drivable Flexible - 66"	30	68	Polyethylene/ABS/Nylon
FlexStake, Model 604		Class 1 delineators Drivable Flexible - 66"	51	47	Polyethylene/ABS/Nylon
FlexState, Models 704 & EB4		Class 1 delineators Surface Mount 48"	51	47	Polyethylene/ABS/Nylon
FlexState, Models 754		Class 1 delineators Surface Mount 48"	30	68	Polyethylene/ABS/Nylon
Masterflex Model MF-180EX-48	Bent Manufacturing Comp. 888-842-0600	Class 1 delineators Surface Mount, 48-inch	0	100	Base is 100% recycled ABS plastic Tube is 100% recycled Polyethylene plastic and both are from the medical industry
Bent Manufacturing T-Top Delineator	Bent Manufacturing Company 888-842-0600	Conical Delineators, 42-inch	0	100	Base is 50-60% recycled tire rubber Cone is 100% recycled Polyethylene plastic from the medical industry
Filtrona Extrusion, "Flexi-Guide Models 400 and 566	Filtrona Extrusion 253-284-8000, 925-944-9355	Class 1 delineators Drivable Flexible - 66"	5	>50	Thermoplastic
Filtrona Extrusion, Model FG 560		Class 1 delineators	5	>50	Thermoplastic

TABLE A - Recyclable Content in Traffic Control Devices

(with 18-inch U-Channel base)		Special Use - 66"			
Three D Traffic Works	Three D Traffic Works	Surface Mount		50	High Density Polyethylene
Channelflex ID No. 522248W	818-954-8453	Type, 48-inch			
Three D Traffic Works		Conical Delineator		100	Crumb Rubber from CA Tires
Ringtop TD7000, ID No. 742143		42 - inch			
Three D Traffic Works, TD7500		Conical Delineator		100	Crumb Rubber from CA Tires
		42 - inch			
GreenLine Model CGD1-66	Carsonite, Inc	One Piece Driveable	100	0	
	800-648-7916	Flexible Type, 66-inch			
GreenLine Model CGD		Class 1 delineators	100	0	
(with 18-inch U-Channel base)		Special Use - 66"			
METAL BEAMGUARD RAIL (MBGR) DELINEATORS					
Carsonite, Model 427	Carsonite, Inc	Wood Post Type 27"	0	0	Fiberglass Composites
	800-648-7916				
Filtrona Extrusion, "Mini" (3" x 10")	Filtrona Extrusion	MBGR Post Marker		>50	Thermoplastic
	253-284-8000, 925-944-9355	Use to Left of Traffic			
Filtrona Extrusion FG 427 & FG527	Filtrona Extrusion	Wood Post Type, 27"	5	>50%	Thermoplastic
	253-284-8000, 925-944-9355				
Three D Traffic Works	Three D Traffic Works	Guard Railing Delineator		100	Polycarbonate
Guardflex TD9100	818-954-8453	Type 27-inch, Wood Post			

TABLE A - Recyclable Content in Traffic Control Devices

GreenLine GRD 27	Carsonite, Inc	Guard Railing Delineator	100	0	
	800-648-7916	Type 27-inch, Wood Post			
CHANNELIZERS					
FlexState, Models 703 & EB3	Flexstake Product	Channelizers	51	47	Polyethylene/ABS/Nylon
	1-800-348-9839	Surface Mount 36"			
FlexState, Models 753,		Channelizers	30	68	Polyethylene/ABS/Nylon
		Surface Mount 36"			
Masterflex Models	Bent Manufacturing Company	CHANNELIZERS	0	100	Tube is 100% recycled Polyethylene
MF-360-36 (Round) and	888-842-0600	Surface Mount, 36-inch			plastic from the medical industry
MF-180-36 (Flat)					Base is 100% new natural rubber
Carsonite, "Super Duck"	Carsonite, Inc	Surface Mount	25	20	Rubber Base, Polyethylene Tube
(Round SDR-336)	800-648-7916	Type 36"			
Carsonite, Model SDCF03601MB		Surface Mount	25	20	Rubber Base, Polyethylene Tube
		Type 36"			
Filtrona Extrusion, Flexi-Guide Models	Filtrona Extrusion	Surface Mount	5	>50	Thermoplastic
FG300PE, FG300UR, and FG300EFX	253-284-8000, 925-944-9355	Type, 36"			
GreenLine, Model SMD-36	Carsonite, Inc	Surface Mount	100	0	
	800-648-7916	Type, 36"			
Three D Traffic Works	Three D Traffic Works	Surface Mount		50	High Density Polyethylene
"Boomerang" 5200 Series	818-954-8453	Type, 36-inch

OBJECT MARKERS					
FlexStatke Model 701	Flexstake Product	Object Markers	40	58	Polyethylene/ABS/Nylon
	1-800-348-9839	Type "K" 18"			
FlexStatke Model 701	Flexstake Product	Object Markers	40	58	Polyethylene/ABS/Nylon
	1-800-348-9839	"K-4" - 24"			
Filtrons Extrusion, Model FG318PE	Filtrona Extrusion	Object Markers	5		Thermoplastic
Guide Models 400 & 566	253-284-8000, 925-944-9355	Type "K" 18"			
Filtrona Extrusion, Model FG324PE		Object Markers	5		Thermoplastic
		"K-4" - 24"			
Masterflex" Model MF-360-24	Bent Manufacturing Company	Type "K-4" / "Q"	0	100	Base is 100% new natural rubber,
	888-842-0600	Object Markers, 24-inch			Tube is 100% recycled Polyethylene
					plastic from local suppliers
Three D Traffic Works	Three D Traffic Works	Object marker		50	High Density Polyethylene
ID No. 531702W and TD 5200	818-954-8453	Type K-4/Q, 24-inch			
Three D Traffic Works		Object marker		50	High Density Polyethylene
ID No. 520896W		Type K-4/Q, 24-inch			
CONCRETE BARRIER MARKERS AND TEMPORARY RAILING (TYPE K) REFLECTORS					
Filtrona Extrusion, Models	Filtrona Extrusion	Impactable Type Deline.	>5		Thermoplastic
PCBM-12 and PCBM-T12	253-284-8000, 925-944-9355				

TABLE A - Recyclable Content in Traffic Control Devices

	billdaly@filtrona.com				
Filtrona Extrusion, Model PCBM T - 16		Conc. Barrier Delinea. 16", to Use Right of traffic	>5%		Thermoplastic
Filtrona Extrusion, FG 427 and FG527		Guard Railing Delineator Wood Post Type-27"	5%	>50%	Thermoplastic
Three D Traffic Works Roadguide Model TD 9304	Three D Traffic Works 818-954-8453	Impactable Type Markers	60	30	
Plastic Safety Systems "BAM" Models OM-BARR and OM-BWAR	Plastic Safety Systems Inc 800-662-6338 , Fax 216-231-2702	Impactable Type Deline.		40-50%	Product is manufactured from Acrylic Lens and ABS Substrate, ABS Substrate 40-50% Post Indust.
Plastic Safety Systems "BAM" Models OM-BITARW and OM-BITARA	Plastic Safety Systems Inc 800-662-6338 , Fax 216-231-2702 wejamieson@plasticsafety.com	Non-Impactable Type Del.		40-50%	Product is manufactured from Acrylic Lens and ABS Substrate, ABS Substrate 40-50% Post Indust.
LANE SEPARATION SYSTEM					
Filtrona Extrusion "Flexi - Guide (FG) 300 Curb System"	Filtrona Extrusion 253-284-8000 , 925-944-9355	Lane Separation System	5	>50	Thermoplastic
