Information & Instructions

Quarterly Reports Required	CMAS contractors are required to submit business activity reports each quarter. A quarterly report is required for each CMAS, even if no new purchase orders were received for the quarter.
Delinquent Reports	If a contractor who was previously awarded a CMAS applies for, 1) a new CMAS or 2) an extension, renewal, or modification of an existing CMAS, the CMAS staff will first verify that all required quarterly reports have been received for all current and past CMAS agreements prior to approving the new request. Delinquent quarterly reports can also result in termination of an active CMAS.
Reseller's Sales Activity	CMAS contractors must report the sales activity for all authorized resellers listed in their CMAS.

Copies of local government agency CMAS purchase orders are not required to accompany each CMAS quarterly report.

CMAS QUARTERLY REPORTS

Information & Instructions, Continued

Purchase Order Amount The total value of the purchase order (less tax and freight) must be reported (only once) for the quarter in which the purchase order is dated, regardless of when the services were performed, the products were delivered, the agency was invoiced, or when payment was received. For example, on a service purchase order with a one year term, the amount reported on the quarterly report is the total dollar amount on the order, not the incremental amount being invoiced after the service is rendered.

Total All Purchase Orders The total dollars for the quarter is the sum of all purchase orders listed on the quarterly report. It is NOT the total sum invoiced or payment received.

Amended Purchase Orders and Reports A CMAS purchase order cannot be amended after the base CMAS expires. If an agency amends their purchase order to increase or decrease the dollar amount, the incremental dollar difference must be reported in the quarter the amendment was issued. Do not report the total purchase order amount. Under the purchase order number, include the word "amendment".

Tax and Freight Not Included Tax and freight must NOT be included on the quarterly report, even if included on the purchase order.
