Review Process

After receiving a CMAS PO for non-IT services for approval with all required documentation, the goal of DGS-PD is to complete the review process within 10 working days. If approved, the PO will be stamped "Approved" by DGS and returned to the requesting agency along with the original Std. 65 and Std. 215. All other supporting documents will be retained at DGS-PD.

It is the agency's responsibility to distribute the approved PO and enter it into the Financial Information System for California ([FI\\$Cal](#)).

CMAS contractors cannot accept purchase orders for non-IT services exceeding \$50,000 unless they include the required approval stamp from DGS-PD.

Fiscal Year Deadlines

Agencies must submit their non-IT service purchase orders to the CMAS Unit for review and approval by June 15th of each year for funds encumbered in that fiscal year.

There are no CMAS approval deadlines for non-IT service purchase orders received in June if the order is funded from the next fiscal year.
