RE: Department Survey for New Master Agreements

The Department of General Services, Procurement Division (DGS/PD) Multiple Awards Program Section is providing the opportunity for State departments to participate in a survey that will assist DGS/PD in establishing new Master Agreements for our customers. The purpose of the survey is to:

- Obtain suggestions for new Master Agreements which will benefit state department users
- Identify potential Master Agreement opportunities for goods and services

DGS/PD requests that PACs and PCOs distribute this brief survey to the appropriate departmental subject matter experts who will provide comments and/or suggestions towards this effort.

Please complete the following survey by close of business on June 6, 2014.
