RE: Statewide Non-Mandatory Contracts for General Purpose & Specialty Tires

The Department of General Services, Procurement Division (DGS/PD), announces that contract numbers 1-14-26-01 F-P, Tires, are amended to lower pricing of their Michelin tire suite. This is reflected in Attachment H (2), Group 3 and or 4 - Non-Core Catalog.

Please see the relevant Contract User Instructions at:

- <http://www.documents.dgs.ca.gov/pd/contracts/1-14-26-01 - Award Matrix.xlsx>
- The supplier is not a certified small business
- The contract collects \$1.75 for each tire at the time of purchase, which goes to CalRecycle and has a take back program to recycle one tire for each tire that is delivered and/or installed.

Contract 1-14-26-01 F-P is an Environmentally Preferable Purchasing (EPP) contract as it offers the take-back of used tires and provides for the purchase of low-resistance rolling tires. Visit the [DGS Buying Green Website](#) for additional EPP information.

The DGS/PD requests that PACs and POs distribute this broadcast to the appropriate department personnel.
