**RE: Statewide Contract Expiration Notice 1-09-13-02A & 1-09-13-02B for
Ammunition, Factory Loaded**

This broadcast announces the pending expiration of the Ammunition, Factory Loaded contracts. These contracts expire Sunday, August 31, 2014.

Due to the current market conditions, DGS/PD does not find it conducive to renew these contracts at this time. Once these contracts expire, departments must purchase under their departments Delegated Purchasing Authority until a new contract is in place.

Once the market changes, DGS/PD will go back out to bid and renew the contracts. The projected forecast for doing so will be mid, 2015.

During this time, it is in State's best interest to continue to submit your PO's to the current contractors. All PO's submitted before the expiration will be honored. Delivery times are approximately 9 months to a year out, however, once the product becomes available, the product will be sent. The State will get the contract pricing on the deliveries which are submitted before expiration.

In addition, if you need a waiver before expiration of the contract due to delivery, please contact the contract administrator. Please email a copy of all off contract purchases to the contract administrator.

Once the current contracts expire, departments will utilize their Delegated Purchasing Authority (i.e. SB/DVBE Option, Fair and Reasonable) until a new contract is in place.
