Broadcast Date: November 19, 2015

Bulletin #: P-15-15

**TO: Purchasing Authority Contacts (PAC)
Procurement and Contracting Officers (PCO)**

**RE: Date for Transitioning Bid Announcements to Cal eProcure Revised to
January 1, 2016**

The Department of General Services recently began reaching out to vendors, suppliers and bidders with additional information about when, where and how to register for Cal eProcure, the new statewide procurement system. Beginning December 9, 2015 vendors will be able to register their firms on [Cal eProcure](#), which also serves as the new online vendor portal designed to improve the experience of businesses selling products and services to the state of California. Although vendors can start registration on December 9th, Cal eProcure will not actually replace California State Contracts Register (CSCR) bid notifications in BidSync until January 1, 2016.

Until that time, state departments will continue to post their solicitations in BidSync. This timing will allow ample opportunity for bidders to register for notifications prior to bids being posted on January 1, 2016 in Cal eProcure.

Please note: Bids posted in Bid Sync prior to January 1, 2016, that close prior to March 30, 2016 **do not** need to be posted in Cal eProcure. Bids posted in BidSync prior to January 1, 2016, that close after March 30, 2016 must also be posted in Cal eProcure prior to March 30, 2016.

Learn more and download Cal eProcure resources by visiting our [webpage](#) where you can also sign up to [receive updates](#) over the coming weeks.

If you have any questions regarding this notification, please contact:
