RE: Supplement 3 - Statewide Contract ID 1-15-91-31C for Renewable Diesel R-99 and Red Dye Renewable Diesel

This broadcast announces the release of Supplement 3 to the Statewide Contract Number 1-15-91-31C for Renewable Diesel R-99 and Red Dye Renewable Diesel. Effective 3/28/2016, the pricing structure for contract 1-15-91-31C has been changed to separate the deliveries of 4001 gallons and above and deliveries for 4000.9 and below.

- The differential price remains the same for delivery loads of 4000.9 gallons and below.
- The differential price remains the same for delivery loads of 4001 gallons and above.

This green alternative fuel is made from renewable resources and has lower emissions when used as compared to regular diesel. Therefore this is considered to be an environmentally preferable purchase (EPP).

This supplement is available on the Department of General Services, Procurement Division Cal eProcure website at:
