RE: Invitation to CalCon Expo 2011-August 11, 2011

\$150 BILLION IN GOVERNMENT CONSTRUCTION CONTRACTS

On Thursday, August 11, 2011, the State of California will host the California Construction Expo in partnership with the Metropolitan Water District of Southern California, Los Angeles County, Associated General Contractors of California (AGC), Los Angeles World Airports, Port of Long Beach, Metro-Transportation Program, and Merriwether & Williams Insurance Services.

Government contracting is easier than you think. Get the tools you need to compete! Make sure you have a presence at California Construction Expo 2011, the premiere gathering for contractors, designers, construction professionals, suppliers, and construction workers.

- Position your company for success in the government sector.
- Learn how to manage your cash flow during economic slowdowns.
- Tap into construction projects valued from \$5,000 to over \$100 million.
- "Green" is the new wave in California. Gain access to new design and construction opportunities.
- Access skilled labor in all primary specialty trades.
- Stay on top of industry innovation and best practices.
- Participate in "Contractor Matchmaking" between general contractors and subcontractors.
- Meet major California public agencies and learn about their contracting opportunities.
