This Broadcast Bulletin announces the implementation of AB 1424 (Statutes of 2011) Public Contract Code 10295.4 that prohibits the State from entering into contracts for non-IT goods and services with the 500 persons or companies identified as being most delinquent on their tax obligations. The Franchise Tax Board and the Board of Equalization are each required to maintain a list of prohibited persons and companies. Effective July 1, 2012, departments must check the Franchise Tax Board and Board of Equalization lists prior to award of any contract for non-IT goods and services. Any contract entered into with a person or company identified on either list is void and unenforceable. Departments are encouraged to develop internal procedures to comply with this law.
