**RE: California Construction Expo Contractor Award Nominations Wanted!**

---

The California Construction Expo, hosted by the Los Angeles Unified School District, Metropolitan Water District of Southern California, Los Angeles World Airports, Port of Long Beach, State of California Department of General Services and the Associated General Contractors of California, will recognize contractors for ***Excellence in Project Management of a Public Works Project*** on Thursday, August 12, 2010 at the Pasadena Convention Center.

It is the intent of the Host Agencies to recognize contractors that have delivered public projects with an exemplary degree of commitment to quality, cost and schedule management, innovation, safety, small business enterprise (SBE) and disabled veteran business enterprise (DVBE) participation, and overall public benefit to the community where the project is located both during and after project completion.

**PROJECT CATEGORIES:**

- Excellence in Project Management of a Public Works Project valued up to \$1 million
- Excellence in Project Management of a Public Works Project valued from \$1 million to \$5 million
- Excellence in Project Management of a Public Works Project valued from \$5 million to \$25 million
- Excellence in Project Management of a Public Works Project valued from \$25 million to \$50 million
- Excellence in Project Management of a Public Works Project valued over \$50 million
- Excellence in Project Management of a Sustainable LEED Certified or CHPS Project.

**NOMINATION DEADLINE & DETAILS:**

- Nominated projects must have been completed for a California public agency between **July 1, 2008** and **June 30, 2010**.
- Nomination submissions may only be made by a public agency, contractor, or a business or trade organization.
- Completed nomination applications must be electronically submitted by **Friday, July 23, 2010** to [ConstructionAwards@calconexpo.com](mailto:ConstructionAwards@calconexpo.com).
