**RE: WSCA Mandatory Contracts for Wireless Telecommunications Services
and Equipment Supplements 2 & 6**

This broadcast announces the release of Supplement 6 to WSCA Contracts 7-10-70-15 (Sprint), 7-10-70-16 (Verizon) and Supplement 2 to WSCA Contracts 7-11-70-17 (AT&T) and 7-11-70-18 (T-Mobile).

The revised Contract Pricing includes additions/revisions of plan codes and equipment replacements and pricing changes. These changes are identified by an asterisk (*) on the Contract Pricing sheet's right side margin.

PCOs, PACs and Department ATRs are reminded that they were required to transition their current wireless service plans to the new service plans identified in the individual contract pricing pages. The ATRs will be the only authorized purchasers to effect the transition of their wireless services to the provider(s) and plan(s) that best fit their business needs. It was strongly advised that departments make every effort to complete their transition to the new service plans by **Wednesday, August 31, 2011** in order to achieve optimum savings as quickly as possible.

These supplements are available on the Department of General Services, Procurement Division website at:
