RE: Department Survey for Network Switches and Routers

The Department of General Services, Procurement Division (DGS/PD) is providing the opportunity for State departments to participate in a survey that will assist the DGS/PD in meeting departments' needs. The purpose of the survey is to capture your input to assist us in development of a solicitation and the creation of a new statewide contract for Network Switches and Routers.

The DGS/PD requests that PACs distribute the survey to the appropriate department subject matter experts who may be able to provide comments and/or suggestions to ensure that contract requirements will meet departments' needs.

Please complete all sections (I – V) of the attached survey:

- Network Switches and Routers Customer Survey:
