

HIGH-END MULTI-FUNCTION PRINTERS

1.0 SCOPE

DGS Purchasing Standards provide the minimum criteria purchases must meet to be considered Environmentally Preferable (EPP), aka “green”, by the State of California. They establish a mechanism for incorporating performance and environmental requirements that meet the state’s environmentally preferable goals, into procurements and policy.

Per Public Contract Code §12400, the purchasing standard herein establishes minimum EPP requirements for high-end multi-function printers.

2.0 LAWS, REGULATIONS, AND POLICY

Departments must adhere to all applicable laws, regulations, policies, best practices, and purchasing authority requirements, e.g. California Codes, California Code of Regulations, State Administrative Manual, Management Memos, and State Contracting Manual Volume 2 and 3, as applicable.

This list is for informational purposes only and is not all-inclusive. It is the state department’s responsibility to ensure the purchase adheres to all applicable laws, regulations, policies, best practices, and purchasing authority requirements.

3.0 ENVIRONMENTALLY PREFERABLE PURCHASING REQUIREMENTS

Products must meet the requirements established herein to be considered EPP.

Multi-function Printers must be certified by ENERGY STAR®.
