eProcurement

eProcurement is the portal for the California State Contracts Register (CSCR), the State Contracting and Procurement Registration System (SCPRS), the online Small Business and Disabled Veteran Business Enterprise (DVBE) queries and the statewide Leveraged Procurement Agreements (LPAs). These systems have a new look and feel and can only be accessed through the new web-based eProcurement system. For assistance, please contact DGS SA's at eprocure@dgs.ca.gov or (916) 375-2000.

For Small Business certification or any questions regarding Small Business, please contact the Office of Small Business (OSDS) and Disabled Veterans Business Enterprises (DVBE) at osdshelp@dgs.ca.gov or 916-375-4940.

STEP 1 REGISTER YOUR BUSINESS

Register your business with eProcurement.

- Go to www.eprocure.dgs.ca.gov
- Open Access eProcurement (eP)
- Click on Registration Instructions
- Follow the instructions completely to ensure a free subscription.

For questions about eProcurement, contact the eProcurement Help Desk at eprocure@dgs.ca.gov

For registration technical assistance, contact BidSync at (800) 990-9339.

Once you register your California profile, you can apply for Small Business (SB) or Disabled Veteran Business Enterprise (DVBE) certification by completing Step 12 of the separate eProcurement registration instructions flyer. (Also, see STEP 2 of this brochure for eligibility requirements.)

eProcurement

The California Department of General Services (DGS), Procurement Division (PD) partners with BidSync to host California's online procurement service (eProcurement). It helps State agencies organize, automate and better manage purchasing processes online, hosting the California State Contracts Register (CSCR), SB/DVBE query, SB/DVBE on-line application and the State's Leveraged Procurement Agreements (LPAs). All State and local government agencies can view State contracts via eProcurement.

What does this mean for you?

eProcurement allows suppliers to upload bids/proposals in response to online solicitations. You can also track bid progress, learn about pre-bid events and access contract award and other relevant information.

There is NO FEE for you to register, receive email or fax notifications, download or respond to the State of California's bid solicitations on eProcurement.

STEP 2 BECOME A CALIFORNIA CERTIFIED SMALL BUSINESS OR DISABLED VETERAN BUSINESS ENTERPRISE

Learn about the program at: www.dgs.ca.gov/OSDS

The State of California established the SB and DVBE Certification Programs to increase business opportunities for the SB and DVBE community. The programs help SBs and DVBEs participate on a more level playing field when competing for state contracts.

Small Business Eligibility Requirements

To be eligible for SB certification, your business must meet the following criteria:

- Independently owned and operated;
- Cannot be dominant in the field of operation;
- Principal office located in California;
- Owners (or officers in the case of a corporation) domiciled in California; and together with your affiliates, be either:
 - a business with 100 or fewer employees, and have average annual gross receipts of \$14 million or less over the previous 3 tax years, or
 - a manufacturer with 100 or fewer employees

DVBE Eligibility Requirements

(Most DVBEs can also be certified SBs)

To be eligible for DVBE certification, your business must meet the following criteria:

- Be at least 51% owned by one or more disabled veterans*
- Limited Liability Companies (LLCs) must be wholly owned by one or more disabled veterans
- Daily business operations must be managed and controlled by one or more disabled veterans. The disabled veteran(s) who manages and controls the business is not required to be the disabled veteran business owner(s)
- Home office must be located in the United States and cannot be a branch or subsidiary of a foreign corporation, foreign firm, or other foreign based business

*For DVBE certification purposes, a "disabled veteran" is a veteran of the U.S. military, naval, or air service; and has a service connected disability of at least 10% or more as declared by the United States Department of Veteran Affairs or the United States Department of Defense and must be domiciled in California.

Submit your Application at: www.eprocure.dgs.ca.gov

If you meet the SB or DVBE Eligibility Requirements...

- Find more information on eligibility and benefits at www.dgs.ca.gov/OSDS under the SB/DVBE Certification Program.
- Gather all of your required business information. Go to www.dgs.ca.gov/pd/getcertified to view the Certification Requirements.
- Go to www.eprocure.dgs.ca.gov, then Access eProcurement (eP); under Registration Instructions see Step 12 to submit your application—available 24 hours a day.

Get started NOW! There is no cost.

Benefits to being a California Certified SB or DVBE

California State government requires state agencies to award at least 25% of their annual contracting dollars to certified SBs and at least 3% to certified DVBEs.

The State may give a 5% bid preference to certified SBs and may offer up to a 5% incentive to DVBEs in the formal bid process.

As a California certified SB and/or DVBE, your business is added to the DGS database which state agencies use to find SBs and DVBEs.

As a California certified SB, you are eligible, under the Prompt Payment Act, for higher interest penalties for late, undisputed invoice payments.

All California state agencies and departments may use a streamlined procurement process known as the SB/DVBE Option by contracting directly with a California-certified SB or DVBE for goods, services, and information technology goods and services valued from \$5,000.01 to \$249,999.99 (up to \$281,000 for public works contracts) after obtaining price quotes from at least two SBs or two DVBEs.

For more SB/DVBE information, go to: www.dgs.ca.gov/pd/getcertified or for SB/DVBE certification assistance, call us during regular State business hours at (916) 375-4940.

STEP 3 USE THE CALIFORNIA STATE CONTRACTS REGISTER (CSCR)

What is the CSCR?

The CSCR is your one-stop, central information source for state contracting opportunities. State agencies post solicitations, Request for Proposals (RFPs), etc., on this site when they go out to bid. CSCR connects you to government solicitations, with an easy-to-use, on-line publication which lists services and construction contracts over \$5,000, commodity contracts over \$50,000, and IT goods and services contracts over \$100,000.

You can find subcontracting opportunities and place ads seeking work with potential prime contractors at no cost. Access the CSCR at www.eprocure.dgs.ca.gov and click on Bidding Opportunities

Ad Notification

The free CSCR Ad Notification Service notifies subscribers automatically by email or fax of CSCR advertised opportunities.

OBJECTIVES

By the end of this webinar, you will be able to:

- Define what the CSCR is.
- Know how the CSCR works.
- Know where the solicitations are found.
- Who can I ask questions about a specific solicitation?
- Is there a place to ask questions on the solicitation?
- Place an ad.

What is the CSCCR?

- A one-stop, source for contracting opportunities
- Connected to government bids, listing:
 - Services and construction contracts over \$5,000
 - Commodity contracts over \$50,000
 - IT goods and services contracts over \$100,000

How the CSCR Works

- State agencies post their solicitations when they go out to bid
- Sub-contractors can find contracting opportunities
- Sub-contractors can place ads seeking work with potential primes
- Ads are free

All job walk attendees, to include all subcontractors and suppliers **MUST** wear Personal Protective Equipment (PPE) in order to attend this mandatory job walk. PPE **MUST** include all of the following items: hard hat; safety vest; closed toe shoes & long pants. If a prospective bidder is missing any one on those PPE items mentioned, they will not be able to attend this job walk.

All job walk attendees **MUST** process through the front gate entrance at Camp Roberts. In order to be admitted through the gate all attendees shall be required to show proof of the following items: valid driver's license, vehicle registration and insurance certificates. Without these items you will not be granted access to Camp Roberts or the job walk. Due to the high volume of traffic entering Camp Roberts, this process may take approximately one (1) hour.

Prospective bidders **MUST** sign-in prior to the start of the job walk in order to submit a bid and attend the entire job walk and be present for roll call at the conclusion of it. Bidders who do not remain for the entire job walk will be considered non-responsive and will not be allowed to bid on this project.
