

**The National Contract Management Association,
Sacramento Gold Rush Chapter and the
Information Technology Association of America present**

New California Information Technology General Provisions

Tuesday, May 13, 2003, 8:00 – 11:30 AM

Ziggurat Auditorium, 707 Third Street, West Sacramento

This seminar is designed for **information technology contractors, their legal counsel** and other contract specialists to understand the recent 2003 changes to the state's contract provisions for information technology contracts. Panelists will discuss the problems and risks to IT contractors with the old provisions, highlight the changes and discuss how they will be implemented. There will be time for questions from the audience.

Panel Speakers are:

- **Allen Samelson, Esq.**, one of the lead counsel in the negotiations for the Information Technology Association of America;
- **Diana LaBonte**, California Dept. of General Services Manager of Technology Acquisitions; and
- **Michael Barth, Esq.**, counsel for the California Dept. of General Services Office of Legal Services

Note: The Department of General Services, Procurement Division is sponsoring **free sessions** on the new provisions **for state employees**. For more information, visit www.dgs.ca.gov/pd and click on Events.
