A TOC book from the  
publisher of "The Goal"

*"Cost Accounting is  
Productivity's Public  
Enemy Number One."*

*Eliyahu M. Goldratt*

This quiet revolution changes the cost world:  
TOC's innovative approach cuts inventory  
and boosts the bottom line.

Throughput Accounting, a new management  
accounting method, is based on Eli Goldratt's  
Theory of Constraints (TOC)

TOC is one of the main building blocks  
needed to achieve profitability.

This is the one book that tells you how to  
apply Throughput Accounting.

Learn how to meet business objectives and  
increase profitability.

Throughput Accounting is an important  
measurement and decision making tool.
