INTRODUCTION

The bidder must complete the identified form(s) and fully document that the mandatory minimum percent of DVBE participation will be met in order to comply with this solicitation's DVBE program requirement or the bid may be considered non-responsive.

Information submitted by the Bidder to comply with this solicitation's DVBE requirements will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of the PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by the 2 CCR §1896.91. Contractors found to be in violation of these provisions may be subject to suspension from doing business with the State of California, contract termination, civil penalties and loss of State certifications.

Only State of California, Office of Small Business and DVBE Services (OSDS), certified Disabled Veteran Business Enterprises (hereafter called "DVBE") who will perform a commercially useful function (CUF) shall be used to satisfy the DVBE requirements. The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of §1896.81, is certified in accordance with §1896.84, and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function. Bidders must verify each DVBE subcontractor's certification with OSDS to ensure DVBE participation eligibility prior to submitting bids.

COMMERCIALLY USEFUL FUNCTION DEFINITION

As defined in MVC §999 (B), a person or an entity is deemed to perform a "commercially useful function" if a person or entity does all of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

A contractor, subcontractor, or supplier will not be considered to perform a "commercially useful function" if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

For evaluation purposes only, the State shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration GSPD-05-105, (located elsewhere within the solicitation document) and confirmed by the State. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

5% or Over	5%
4% to 4.99% inclusive	4%

As applicable: (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.

(2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.
