

Personal Computer Lease Factors

Scenario Number 1

The State wishes to lease 500 Tier 1, Pentium III 550 MHz based PCs. These are complete systems from the manufacturer; a 17" monitor and 3-year on-site warranty comes with each machine. The price is \$2,497.00 each, for a total of \$1,248,500.00. All 500 machines will be shipped to the ordering agency 45 days after the order is placed. Please quote Lease Factors for both a 24- and 36-month period, per \$1.00. This will be the only order that this agency places this year.

Scenario Number 2

The State wishes to lease 200 Tier 1, Pentium II 400 MHz based PCs. The price for these PCs is \$1,350.00. The State also wishes to lease 200 ViewSonic 19" LCD ViewPanels with the PCs, at an additional price of \$899.00 each. The total of the two orders is \$449,800.00. The PCs will have a 3-year on-site warranty, however the ViewPanels have only a 1-year warranty. The machines and ViewPanels will arrive at the ordering agency within one month of the order. Please quote Lease Factors for both a 24- and 36-month period, per \$1.00. The agency plans on placing three more orders (all approximately the same size) this year and will ask for the remaining three quotes at a later date.
