Ernesto,
The Sourcing Committee would like to extend the contract for 2 years, rather than just one year. The option for a base rate price adjustment would continue on an annual basis in accordance the original solicitation. Is this agreeable?
If so, let me know via email. I will attach your email approval to the amend extending the contract for 2 years with the option for a base rate price adjustment on an annual basis in accordance the original solicitation.
Please advise,
-g.
