The terms, conditions, and prices for the contract extension option shall be by mutual agreement between the contractor(s) and the State. If a mutual agreement cannot be met, the contract may be terminated at the end of the current contract term.

## 2. CONTRACT USAGE/RULES

A local government is any city, county, city and county, district or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges that is empowered to expend public funds. ### **7. WSCA CONTRACT INFORMATION**

See Attachment A for list of awarded contracts and contract Terms and Conditions.

## **8. DOLLAR THRESHOLDS (Local Governments are Exempt)**

- WSCA Program Limitation: \$500,000.00
- a. Departments executing WSCA/NASPO orders over \$500,000.00 for non-IT goods must obtain DGS/PD approval prior to executing the purchase document. Refer to SCM Vol. 2, Chapter 6 F3.6. The following information must be documented by the department and submitted to DGS/PD:  
  
Identify the need for the goods and/or services and the dollar value of the impending purchase document.  
Explain how the department has determined that issuance of a purchase document to this particular contractor makes good business sense and how best value for the department has been achieved.
- b. Upon review and approval of the documentation submitted, DGS/PD will issue an approval letter concurring with the department's request. Upon receiving approval from DGS/PD, the department may proceed to execute the order.
- c. Exempt entities are not subject to these order limits.

## **9. EXECUTING THE PURCHASE ORDER**

- a. The WSCA and State of California contract numbers must be shown on the purchase order.
- b. State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.
- c. Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.
- d. Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65: <http://www.documents.dgs.ca.gov/osp/pdf/std065.pdf>
- e. The ordering agency defines the project scope to determine which goods and related services are needed, and checks the electronic catalog for pricing. Then the ordering state agency completes a Form 65 (Contract/Delegation Purchase Order), including all pertinent information for each individual order issued against the Agreement and sends the Form 65 to the selected Contractor.
- f. As a hard copy catalog is not available, you must print a copy of the contract terms and conditions, the Participating Addendum, and a copy of the e-quote from your order and retain this in your files. It is not necessary to provide a copy of each page to DGS. Additionally, it is not the contractor's responsibility to provide this information to you.

### a. Payment Terms

See WSCA Supplier Contract Information, Attachment A for Payment Terms.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires state agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

Local government agencies may make payments according to their statutory requirements.

### b. Payee Data Record (Std. 204)

Each state accounting office must request a completed Payee Data Record (Std. 204) from the contractor in order to process payment of invoices. Agencies should forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment to the contractor may be unnecessarily delayed.

## **15. DELIVERY**

30 days after receipt of order, or as negotiated between agency and contractor and included in the purchase order, or as otherwise stipulated in the contract.

## **16. SMALL BUSINESS/DVBE - TRACKING**

Per State Contracting Manual (SCM) Volume 2, Chapter 6.A2.5 SB and DVBE subcontracting participation tracking, State agencies are able to claim subcontracting dollars towards their small business or DVBE goals whenever the Contractor subcontracts a commercially useful function to a certified small business or DVBE.

1. The amount an ordering agency can claim towards achieving its small business or DVBE goals is the dollar amount of the subcontract award made by the Contractor to each small business or DVBE.
2. The Contractor will provide an ordering agency with the following information at the time the order is quoted:
  - a. The Contractor will state that, as the prime Contractor, it shall be responsible for the overall execution of the fulfillment of the order.
  - b. The Contractor will indicate to the ordering agency how the order meets the small business or DVBE goal, as follows:
    - List the name of each company that is certified by the Office of Small Business and DVBE Services to which that it intends to subcontract a commercially useful function; and
    - Include the small business or DVBE certification number of each company listed, and attach a copy of each certification; and
    - Indicate the dollar amount of each subcontract with a small business or DVBE that may be claimed by the ordering agency towards the small business or DVBE goal; and
    - Indicate what commercially useful function the small business or DVBE subcontractor will be providing towards fulfillment of the order.

## **17. TERMINATION**

Any State or Local agency may terminate any order against this agreement upon 30 days notice provided the products or services have not already been accepted. This does not affect the termination clause of the WSCA Master Price Agreement concerning failure to perform or upon mutual consent.

## **18. AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) - Supplemental Terms and Conditions**

- a. Ordering departments executing purchases using ARRA funding must attach the ARRA Supplemental Terms and Conditions document to their individual purchase documents. Departments are reminded that these terms and conditions supplement, but do not replace, standard State terms and conditions associated with this leveraged procurement agreement.
- b. Click here to access the [ARRA Supplemental Terms and Conditions](#)

Note: Additional information regarding ARRA is available by clicking here to access the email broadcast dated 08/10/09, titled [Supplemental Terms and Conditions for Contracts Funded by the American Recovery and Reinvestment Act](#)
