5. CONTRACT TERM

The contract term for the California Participating Addendum is various through 12/31/2015

Order placement and contract execution shall be on or before the expiration date of the NASPO ValuePoint contract. Delivery of the services requested must be completed within one (1) year after the NASPO ValuePoint contract expiration date.

6. RADIO EQUIPMENT

The purchase of all radio and related electronic equipment requires the **California Governor's Office of Emergency Services, Public Safety Communications (Cal OES-PSC)** technical review and approval per State Administrative Manual, Chapter 4530. The Cal OES-PSC may be reached at (916) 657-9173.

All radio transmitting devices available on this contract must be licensed by the Federal Communication Commission (FCC) before being put into service. Cal OES-PSC performs all processes required to obtain the licenses for all radio equipment owned or operated by the State. In addition, service manuals are required when Cal OES-PSC will maintain the equipment. State agencies should contact Cal OES-PSC before the purchase order (STD 65, Contract/Delegation Purchase Order) is issued so the required number of service manuals can be included and the required FCC license can be acquired.

State agency purchase orders for radio and related electronic equipment must have a Cal OES-PSC stamp and signature affixed.

Contractors are required to reject all State purchase orders for radio and related electronic equipment if not stamped and signed by Cal OES-PSC, or risk termination of their contract(s).

7. MANDATORY ORDERING REQUIREMENT

The sources in this contract are limited to the manufacturers of the product. Orders for Phase I products are limited to those instances when public safety requirements demand the products match and intermember with existing equipment. Agencies are required to list the existing Public Safety Equipment that the equipment will match, intermember or interface with on the Std. 65. Suppliers cannot accept an order that does not include this information.

The user guide will restrict usage to those instances where no other brand will functionally suffice.

8. GUIDELINES/RULES

- a. Ordering state agencies must follow all applicable state mandated guidelines, e.g., State Administrative Manual, Management Memos, Agency Directives, California Acquisition Manual and California Codes.
- b. State and local government agency use of NASPO ValuePoint contracts is optional. A local government is any city, county, city and county, district or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges that are empowered to expend public funds. While the state makes this contract available, each local government agency should make its own determination whether the NASPO ValuePoint program is consistent with its procurement policies and regulations.

11. Federal Debarment

The Federal Department of Labor requires that State agencies, which are expending Federal funds of \$25,000 or more, have in the contract file a certification by the supplier that they have not been debarred or suspended from doing business with the Federal Government. Each contractor must provide this documentation upon request.

12. PRICING

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65: <http://www.documents.dgs.ca.gov/osp/pdf/std065.pdf>

The ordering agency defines the project scope to determine which goods and related services are needed, and checks the electronic catalog for pricing. Then the ordering state agency completes a Form 65 (Contract/Delegation Purchase Order), including all pertinent information for each individual order issued

against the Agreement and sends the Form 65 to the selected Contractor. NOTE: CAL-Card (procurement card; i.e. visa) orders are also accepted.

It is not necessary to provide a copy of each page to DGS. Additionally, it is not the contractor's responsibility to provide this information to you.

14. PURCHASE ORDER DISTRIBUTION

For state agencies, copies of the STD. 65 with original signatures, or if using the CAL-Card, copies of the order acknowledgement, must be sent to the Contractor, State Controller and Department of General Services, Procurement Division.
