American Recovery and Reinvestment Act (ARRA) - Supplemental Terms and Conditions

Ordering departments executing purchases using ARRA funding must attach the ARRA Supplemental Terms and Conditions document to their individual purchase documents. Departments are reminded that these terms and conditions supplement, but do not replace, standard State terms and conditions associated with this leveraged procurement agreement.

Click here to access the [ARRA Supplemental Terms and Conditions](#)

Note: Additional information regarding ARRA is available by clicking here to access the email broadcast dated 08/10/09, titled [Supplemental Terms and Conditions for Contracts Funded by the American Recovery and Reinvestment Act](#)

1. Scope

The purpose of this WSCA Master Price Agreement is to provide a purchasing vehicle for Public Safety Communication Equipment for all State Agencies and local government agencies, which is any city, county, district or other governmental body empowered to spend public funds per California Public Contract Code Section 12110.

While the State of California makes this WSCA Master Price Agreement available to local governmental agencies, each local agency should make its own determination of whether using this WSCA Master Price Agreement is consistent with its procurement policies and regulations.

E-Mail: cynthia.okoroike@dgs.ca.gov

3. WSCA CONTRACT INFORMATION

See Attachment A for list of awarded contract(s) and contract Terms and Conditions.

4. WSCA BASE CONTRACT

This WSCA contract is based on some or all of the products and/or services and prices from WSCA Public Safety Communication Equipment Contract, State of Washington # 02702.

A copy of the actual WSCA Master Agreement is available on the Internet at:

<https://fortress.wa.gov/ga/apps/ContractSearch/ContractSummary.aspx?c=02702>

5. CONTRACT TERM

The contract term for the California Participating Addendum is various through 10/29/2014

**WSCA-NASPO Cooperative Purchasing Program
Contract Number 02702-Phase 1
Public Safety Communication Equipment
User Instructions**

Order placement and contract execution shall be on or before the expiration date of the WSCA contract. Delivery of the services requested must be completed within one (1) year after the WSCA contract expiration date.

6. RADIO EQUIPMENT

The purchase of all radio and related electronic equipment requires the California Department of Technology, Statewide Telecommunications Network Division (CalTech-STND) technical review and approval per State Administrative Manual, Chapter 4530. The CalTech-STND may be reached at (916) 464-7547.

All radio transmitting devices available on this contract must be licensed by the Federal Communication Commission (FCC) before being put into service. CalTech-STND performs all processes required to obtain the licenses for all radio equipment owned or operated by the State. In addition, service manuals are required when CalTech-STND will maintain the equipment. State agencies should contact CalTech-STND before the purchase order (STD 65, Contract/Delegation Purchase Order) is issued so the required number of service manuals can be included and the required FCC license can be acquired.

State agency purchase orders for radio and related electronic equipment must have a CalTech-STND stamp and signature affixed.

Contractors are required to reject all State purchase orders for radio and related electronic equipment if not stamped and signed by CalTech-STND, or risk termination of their contract(s).

7. MANDATORY ORDERING REQUIREMENT

The sources in this contract are limited to the manufacturers of the product. Orders for Phase I products are limited to those instances when public safety requirements demand the products match and intermember with existing equipment. Agencies are required to list the existing Public Safety Equipment that the equipment will match, intermember or interface with on the Std. 65. Suppliers cannot accept an order that does not include this information.

The user guide will restrict usage to those instances where no other brand will functionally suffice.

8. GUIDELINES/RULES

- a. Ordering state agencies must follow all applicable state mandated guidelines, e.g., State Administrative Manual, Management Memos, Agency Directives, California Acquisition Manual and California Codes.
- b. State and local government agency use of WSCA contracts is optional. A local government is any city, county, city and county, district or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges that are empowered to expend public funds. While the state makes this contract available, each local government agency should make its own determination whether the WSCA program is consistent with its procurement policies and regulations.

9. DOLLAR THRESHHOLDS (Local Governments are Exempt)

- WSCA Program Limitation: Unlimited.
- All orders are subject to most current Management Memo (Currently MM 08-05), or whichever Management Memo is in effect at the time a purchase order is issued. Go to DGS/PD web site www.dgs.ca.gov/pd to obtain a copy of the most current Management Memo.
- For all orders under this contract, the ordering agency is not required to obtain three quotes.

**WSCA-NASPO Cooperative Purchasing Program
Contract Number 02702-Phase 1
Public Safety Communication Equipment
User Instructions**

- Exempt entities are not subject to these order limits.

10. PRICING

Agencies should contact the contractor to see if there is a large quantity discount available. Additionally, educational discounts may be available for educational entities. Please contact the contractor for additional information. See Attachment A for pricing.

11. EXECUTING THE PURCHASE ORDER

THE WSCA/STATE OF CALIFORNIA CONTRACT NUMBER MUST BE SHOWN ON THE PURCHASE ORDER.

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65: <http://www.documents.dgs.ca.gov/osp/pdf/std065.pdf>

The ordering agency defines the project scope to determine which goods and related services are needed, and checks the electronic catalog for pricing. Then the ordering state agency completes a Form 65 (Contract/Delegation Purchase Order), including all pertinent information for each individual order issued against the Agreement and sends the Form 65 to the selected Contractor. NOTE: CAL-Card (procurement card; i.e. visa) orders are also accepted.

As a hard copy catalog is not available, you must print a copy of the contract terms and conditions, the Participating Addendum, and a copy of the e-quote from your order and retain this in your files. It is not necessary to provide a copy of each page to DGS. Additionally, it is not the contractor's responsibility to provide this information to you.

12. ON-LINE ORDERING

Contact the supplier representative to discuss setting up an online ordering website for your agency. State agencies must still provide a copy of the ordering document to the Department of General Services, Procurement Division. If using a CAL-Card, a copy of the on-line order acknowledgement must be sent in place of the ordering document. THE AGENCY BILLING CODE MUST BE INCLUDED ON EITHER DOCUMENT (**Local Governments are Exempt**).

13. PURCHASE ORDER DISTRIBUTION

For state agencies, copies of the STD. 65 with original signatures, or if using the CAL-Card, copies of the order acknowledgement, must be sent to the Contractor, State Controller and Department of General Services, Procurement Division. For local agencies, copies of purchase orders are not required.

User Instructions**

14. PAYMENTS AND INVOICES

a. Payment Terms

See **WSCA Supplier Contract Information** (Attachment A) for Payment Terms.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires state agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

Local government agencies may make payments according to their statutory requirements.

b. Payee Data Record (Std. 204)

Each state accounting office must have a copy of the attached Payee Data Record (Std. 204) in order to process payment of invoices. Agencies should forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed.

15. TERMINATION

Any State or Local agency may terminate any order against this agreement upon 30 days notice provided the products or services have not already been accepted. This does not affect the termination clause of the WSCA Master Price Agreement concerning failure to perform or upon mutual consent.

16. DGS ADMINISTRATIVE FEE

The agency will not be charged the DGS Administrative fee and agencies will not be invoiced by the contractor for the use of this contract.
