

SAM – ENERGY AND SUSTAINABILITY

INDOOR ENVIRONMENTAL QUALITY: NEW, RENOVATED AND EXISTING BUILDINGS

1825

(New 8/2014)

The intent of this section is to announce policy and provide direction to state agencies that build, lease and operate state buildings, on reducing indoor pollutant levels and ensuring healthful indoor environments for occupants in new, renovated, leased, and existing state buildings, as directed in [Executive Order B-18-12](#).
