

SAM—WORKERS' COMPENSATION

MEDICAL TREATMENT

2582

(Revised 12/13)

It is state policy to provide all necessary and reasonable medical treatment to an employee who suffers an injury or illness on the job. Each department by law, must post in a conspicuous location frequented by employees a Notice to Employees poster (English [e13913](#)) (Spanish e13914). This notice informs an employee of his or her right to receive medical treatment in the event of a work-related illness or injury and of his or her right to pre-designate a personal physician. The notice shall list the contact information for the hospital and physician the department has selected to provide treatment in the event of a work-related illness or injury.

Departments must also post the Guide to the State Fund Medical Provider Network (MPN) for State of California Employees brochure ([e13174](#)) in close proximity to this notice. The State Fund MPN is a selected network of physicians and other medical service providers who provide treatment to workers injured on the job.
