

## **SAM – WASTE PREVENTION AND RECYCLING OF NON-HAZARDOUS WASTE**

### **RECYCLING OF MATERIALS**

**1930**

(Revised 12/2013)

The following subsections provide guidance to state agencies in managing these material wastes: California Redemption Value ([CRV](#)) beverage containers, carpet, construction, and demolition material (C&D), electronic waste (e-waste), food waste, mattresses, organic landscape waste, oil, paint, paper, scrap metal, sharps, tires, toner cartridges and universal waste (u-waste). U-wastes are: batteries, lamps/light bulbs, mercury-containing equipment and thermostats, and non-empty aerosol cans.

For more information on implementation of waste prevention, reuse, and recycling programs: <http://www.calrecycle.ca.gov/StateAgency/Assistance/>.
