

SAM – REVISION SUMMARY 438 (Current Changes)

Revisions to SAM sections are provided after the summary table below. These changes are now completed and will be announced in the next quarterly SAM Revision Summary release.

**** Follow the link to the revised SAM Chapter ****

CHAPTER/ SECTION	SUMMARY
CHAPTER 4800	
Section 4819.2	Per TL 17-05, added definition of “Domain Name Service (DNS)”.
Section 4819.36	Per TL 17-04, language was added to align with current oversight practices, including clarification that Independent Project Oversight Reports (IPOR) will be developed monthly for projects classified by CDT as medium or high criticality. Project Status Reports must be developed monthly for projects classified by CDT as medium or high criticality and quarterly for low criticality.
CHAPTER 4900	
INDEX 4900	Renamed section 4940, added sections 4940.1,4940.2 and 4940.3, and removed sections 4941 and 4944.
Section 4940	Per TL 17-04, language was added to clarify that IT Project Oversight is required to begin on the project start date and continue through the duration of the project.
Section 4940.1	Per TL 17-04, new section was added to identify Independent Project Oversight Report requirements.
Section 4940.2	Per TL 17-04, new section was added to identify Correction Action Plan requirements.
Section 4940.3	Per TL 17-04, new section was added to identify Independent Verification and Validation definition and requirements.
Section 4941	Per TL 17-04, section was retired as the information previously contained in this section has been consolidated into SAM Section 4940.
Section 4944	Per TL 17-04, section was retired as the information previously contained in this section has been consolidated into SAM Section 4940.
Section 4947	Per TL 17-04, language was added to consolidate all requirements for completing a Post-Implementation Evaluation Report into a single section.
